

THE OREGON MIST

TWICE A WEEK

VOL. XXXI.

ST. HELENS, OREGON, SATURDAY, JAN. 27 1912

NO. 12.

Will Resume Work

Mr. John Phillip announces that on Feb. 1st he will begin operations at his block quarry and will probably continue for the summer. For the present, only married men of the crew will be employed but, as he has prospects for some contracts, it will be only a short time until the entire crew will be working on full time.

Whenever there is any work along the rock line or any contracts to be let, Mr. Phillip is always alive to the fact and usually gets his share. His crew of block makers are kept at work with as much or more regularity than any other crew in the county.
