

LARGEST CIRCULATION IN THE COUNTY

THE OREGON MIST

TWICE A WEEK

VOL. XXXI.

ST. HELENS, OREGON, SATURDAY, MAR. 16, 1912

NO. 26.

Local Mention

Mrs. Edwin Ross visited in Portland several days this week.

J. G. Watts of Scappoose was a St. Helens visitor during the week.

Mrs. C. D. Sutherland and children were visiting in Portland this week.

Mrs. W. G. Muckle is spending the week in Portland visiting with relatives.

Mrs. J. George and Miss Florence George took this morning's train for Portland.

Born: At Rainier on Thursday March 8, to Mr. and Mrs. F. H. Sherwood, a son.

M. F. Hazen made a flying trip to Rainier and Clatskanie during the week.

Geo. Vogel, of Rainier, was a business visitor in St. Helens Friday.

Ed Laws came down from Portland last night and will spend a few days with his parents in St. Helens.

Gustave Lange and George Grant of Scappoose were transacting business in St. Helens Friday.

Mr. Stockwell and daughter Miss Betty, of Clatskanie, visited with Dr. and Mrs. Zipperer during the week.

James Gaittens of Deer Island was in St. Helens Friday attending to business connected with the Deer Island Cemetery Association.

Miss Minna Cohn, who has been visiting for the past ten days with Miss Anne George, has returned to her home in Portland.

Among the St. Helens people who attended the Schumann-Heink concerts in Portland this week were Mr. and Mrs. L. R. Rutherford and Dr. and Mrs. L. G. Ross.

We note that P. C. Garrison, editor of the Rainier Review, has given up the job of editing for a time and that Chas. Nutt is now at the helm. Success to you Bro. Nutt.

An unsigned communication from Yankton, asking the Mist to answer a legal question, was received last week and we would suggest to the writer that he consult an attorney.

Met Pomeroy, ex-sheriff of Clatskanie, was in St. Helens last night, visiting old friends and incidentally telling of the good qualities of some of his friends who are running for office. Mr. Pomeroy is especially active in behalf of E. B. Tongue for District Attorney and for Mr. Charles Shulderman for Railroad Commissioner.

Chris Johnson, of Clatskanie, candidate for nomination on the Republican ticket for County Commissioner, was a St. Helens visitor yesterday, on business of course, but incidentally passing around a few cards and letting the voters know of his ambitions. It is conceded that the lower end of the county is entitled to the office of Commissioner and Mr. Johnson will make a strong fight for the place. He is a business man at Clatskanie and is well qualified to fill the position.

Herman Wise of Astoria is a candidate for the Democratic Nomination for delegate to the National Convention to be held

at Baltimore during the summer. Inasmuch as each voter is entitled to vote for only one delegate, the democrats of the lower Columbia could do no better than cast their vote for Mr. Wise. He is not only a good Democrat but a booster for Oregon and the Columbia River country and would give us a lot of good advertising back in old Baltimore.

D. W. Freeman of Mist, candidate for the Republican Nomination for County Commissioner, was a St. Helens during the week. Mr. Freeman is an old resident of the county and is relying on his standing in the community to carry him through. He is a successful farmer and dairyman and would fill the office of Commissioner with credit to himself and advantage to the county.

George Sutherland of Clatskanie came to St. Helens Friday having in charge a young man named Roy Lund who was charged with insanity. Upon examination before Judge Dart and Mrs. Ross and Peel the young man was found to be suffering from an insane Religious mania. He could see the Devil with all the horns and tail so vividly pictured out by a great many parents to the young children, and the vision was so real that he secured a pistol, loaded with powder and bullets and took a shot at his Satanic Majesty. It so happened that the location of the intended victim was on the outside of the wall of a bunk house at the West Oregon Lumber Camp, on the inside of which were half a dozen men in bed and when the shot was fired through the wall, of course complaint was made and the young man taken into custody. He was committed to the Asylum at Salem and was taken up this morning.

The Schooner Kona arrived Sunday and is now taking on her cargo for New Caladonia.

The Steamer Casco is due to arrive Sunday. She will take on a full cargo of lumber for the Bay Ocean.

GOBLE

The farmers of this vicinity have been shipping their potatoes to market. Mr. E. S. Daniels, G. C. Fowler and Ernest Koble being the heaviest shippers. The price received varied depending on the ability of the farmer in making a bargain with the commission merchants. They have been comparing notes and some of them are not saying much about their bargain when they find out what some of their shrewder neighbors got.

Messrs. F. Lengacher, O. D. Hunter, Alfred Hunter, Louis Lengacher and Geo. McCarty left Goble last week on the Breakwater for Coos Bay. They are to open up a lumber mill near Coos Bay. They report a pleasant trip, with the exception of being seasick. That was to be expected, though, as they all ate a good square meal before they left, as they were not sure when they would get another one, and when they got out to sea it rather went back on them.

Leonard and Grover Kratzke, of Portland, visited their parents last Sunday.

The road work on the county road here has begun, with two crews working.

W. Hunter is doing some carpenter work on the front of his saloon.

Bert Adams, of Deer Island, was in town one day last week, buying a team of horses.

A large crowd of Rainier Red Men attended lodge here last Tuesday evening and had a good time. They did not know if they could get anything to eat up here as they brought their lunch along.

Mr. and Mrs. Frank Rice, of Columbia City, are visiting relatives here.

The Oregon Fir Lumber Company have shut down their plant on account of having cut all their valuable timber. They will shortly move to some other location.
