E. B. TONGUE

Candidate for Nomination

If I am nominated and elected, I will, during my term of office, honestly, vigorously and impartially perform my official duties, without fear or favor, endeavoring to accord to every individual, irrespective of party, politics or personalities, a square deal under the Law, keeping always uppermost in my mind, the interest of the taxpayers. I will protect the innocent, as well as prosecute the guilty. During my present term of office, I have secured convictions of more than 95 per cent of my cases. I have won every criminal case tried before the Supreme Court.

Every District Attorney before me has been given two terms. Does the record above merit the second term for me?
