A. W. NORBLAD
 CANDIDATE FOR REPUBLICAN

Nomination for District Attorney Fifth Judicial District.
 Attorney for city of Astoria, also attorney by appointment for cities of Seaside and Warrenton and Port of Astoria.
 "If elected I will do my duty under the law and Justice befitting each individual case." I could tell you this same thing in 500 words but what's the use? It takes space, means nothing more, costs money. I am asking and seeking only for the INDORSEMENT OF THE VOTERS at the polls on April 19th. M-

work as an attorney has been passed upon by FOUR municipal bodies of my home county by their electing me their attorney. The city government of my home city [Astoria] by resolution adopted a few months ago said that I had done for \$125.00 per month three times the amount of work that for two years prior to my term cost about twice as much. This is a matter of public record. Mr. Tongue has been in office FOUR years. Do you Mr. Voter want him another FOUR years? You and not a small portion of attorneys of this district are qualified to state who shall receive the Republican nomination. I am content to leave the matter in your hands.
 I am not resorting nor will I resort to any personalities in this campaign. If I cannot win the nomination fairly I do not want it.

Lawn Fence That Lasts
 We sell a fence which is made right. When you fence your Home with this it will stay in shape, no line or running wires slipping down because the uprights are fastened by crimped shoulder of pocket holding it in shape. The Genuine Globe Fence has every upright pocket woven between two recessed wires which can not be slipped either way. Any fence where line wires are called and twisted one way through fence there is no give or take, but every give will loosen the fence or slip your wires. Therefore, be sure you are buying GLOBE FENCE where every fact is guaranteed.
 Come to my store, see it, and be convinced, as your fence, try it.
