Pioneer Passes Away

Steven Enyart, 82 Years Old Dies at Deer Island

Tuesday morning at his home in Deer Island, Stephen Enyart an old and highly respected pioneer of Columbia County died. Mr. Enyart was born in Ohio in April 1830 and at the time of his death was just past 82 years old. He crossed the plains in 1860 coming direct to Oregon and settled in Astoria where he lived for some time, coming from there to Columbia County 45 years ago and has lived in and around Deer Island ever since. He leaves two sisters, one living in Ohio, the other in Texas; one brother, B. C. Enyart of Portland, and a number of relatives in this county, among them being Mrs. Geo. Kelley of St. Helens. Funeral services were held at Deer Island Wednesday, Rev. C. L. Dark of Houlton, preaching the sermon.

BIG FIREMEN'S DANCE

The St. Helens Fire Department is now in fairly good condition to fight fires. Some practices have been held and the apparatus has been put in good shape. Work is being done on the electric alarm system and the boys are taking interest in the company. Tomorrow, Saturday, night, a dance will be held in the City Hall by the Firemen, to be known as the First Annual Firemen's Ball. A four piece orchestra from Portland will furnish the music and a good time is assured. Everyone who enjoys dancing should attend this dance and have a good time in addition to helping out a good cause.

WE WIN

White Sox Play Fine Game Score, 15 to 4

The game of ball played at Clatskanie Sunday by the St. Helens and Clatskanie teams was won by our boys by a score of 15 to 4.

At ten o'clock Sunday morning the launch Charm left St. Helens for Clatskanie bearing the St. Helens Base Ball team and quite a bunch of faithful, hopeful fans who pinned their faith to Manager Wilkin's bunch to lower the colors of The Clatskanie Gardeners. The same launch returned Sunday night bearing the same crowd but before the launch reached the dock, you would have known that the faithful, hopeful fans had inspired our boys with sufficient "pep" and that the game, was St. Helens.

The battery for St. Helens was Stevens and Jamieson while Clatskanie relied on Joe Haggin and McDonald. Now when Joe went into the box, we knew the game was ours, for we have always had his "goat", so just to show what we thought of it, we took four runs as our share right off the reel. After this, we salted the game away little by little, never giving the Gardeners a look in, although we must give them credit for making a game fight, but with Stevens' arm in fine shape and Jamieson doing the receiving like an old leaguer and with the rest of the boys playing big league ball all the time, there was never any doubt as to the result.

We won't state any individual plays, although there were a lot of them, but everybody was in the game every minute, and the game was well worth going to see. Another thing, those rooters we had along, they helped us a whole lot; they were right there with the right kind of rooting to help a team and keep them together. St. Helens has a stronger team now than ever before and when Kelo comes next Sunday, there will be another real game of ball and if our boys can play the kind of jam up ball they did Sunday, there'll be a game well worth going to see.

ed without great difficulty, the leaders in control of the convention decided to give him as a running mate his companion on the ticket in 1908.

Owing to the dispute over the contested delegates permanent organization was not effected until the last day of the convention, when the temporary organization was made permanent.

"My first act as permanent chairman of this convention," said Senator Root, stepping forward amid a burst of cheering, "is to ask unanimous consent that our republican brother—Henry J. Allen, of Kansas, be permitted to make a statement."

Allen Gives Roosevelt Statement.

Allen announced that he would read a statement just placed in his hands by Colonel Roosevelt.

"We do not bolt," concluded Allen, "we merely insist that you and not we are making the record. And we refuse to be bound by it. We have pleaded with you 19 days. We have fought with you five days. We fight no more. We plead no longer. We

shall sit in protest and the people who sent us here shall judge us."

Ex-Vice-President Fairbanks presented the platform. Delegate Cowen, of Wisconsin, offered the La Follette platform as a substitute, but it was voted down.

The final vote on platform gave Taft 666 ayes, Roosevelt a silent strength of 343, 53 noes and 16 absences.

Oregon Splits on Platform.

On the roll call on adoption of the platform, the Oregon delegation cast four affirmative votes, namely: Smith, Bynon, Carey and Campbell. McCusker and Hall voted no. Boyd and Swift were absent, while Coe and Askerson, though present, refused to vote.

Washington voted 14 solid for the platform. The Idaho delegation went on record as opposed to the Roosevelt bolt program. Idaho cast eight votes for the platform.

After the platform was adopted Senator Root was made chairman of the committee to notify President Taft of his nomination. Thomas H. Devine, national committeeman from Colorado, was named chairman of the committee to notify Vice President Sherman.
