### COLONEL ROOSEVELT FORMS NEW PARTY

#### Progressives Meet and Nominate Ex-President; Denounce Taft Convention.

Chicago.—Theodore Roosevelt was nominated for president on an independent ticket. The nomination was made during the dying hours of the republican national convention in which Mr. Roosevelt met defeat.

The followers of Colonel Roosevelt met in Orchestra Hall, less than a mile from the Coliseum, and pledged their support to the ex-president.

Colonel Roosevelt said he accepted the nomination with the understanding that he would be willing to step aside if it should be the desire of the new party when organized to select another standard bearer.

Governor Johnson, California's fighting chief executive, presided at the Roosevelt meeting. The colonel himself was there and addressed the conference.

At the close of his speech Governor Johnson recognized Senator Clapp, offered a series of resolutions, which were adopted, declaring that the Roosevelt delegates and alternates were elected by a majority of the republican voters of their respective districts and states to nominate Theodore Roosevelt for president and thereby carry out the will of the voters as expressed at the primaries; that for five days they were denied justice in the national convention; that this result was accomplished by the action of the national committee in placing on the preliminary roll a sufficient number of fraudulently elected delegates to control the proceedings of the convention; that they had exhausted every known means to prevent this fraud upon the popular will but without success; that they were sent to the convention bearing specific instructions to place Roose-

### REPUBLICAN PLATFORM ADOPTED AT CHICAGO

#### Declares Against Recall: Says Party is One of Progress, Not Reaction.

The platform adopted by the convention which renominated President Taft, a synopsis of the vital planks of which follows, declares its unchanging faith in government of the people, by the people, for the people. Alotance is renewed to the principles of the republican party and to the cause of republican institutions. It proclaims that the party has always been genuinely a party of progress, has never been either stationary or reactionary, but has gone from the fulfillment of one great pledge to the fulfillment of another in response to the public need and the popular will, and that the party believes in a self-controlled representative democracy, which is a government of laws, not of men, and in which order is the prerequisite of progress. While the recall of judges is declared unnecessary and unwise, such action as may be necessary to simplify the process by which any judge who is found to be derelict in his duty may be removed from office is favored.

Authority and integrity of courts upheld; legislation against tedious and costly appeals and long delays urged.

Monopoly and special privileges opposed.

Federal trade commission commended.

Belief in protective tariff reaffirmed, with duties high enough to protect American industries.

Declares some import duties now too high and must go down.

Democratic party condemned for not providing funds for continuance of tariff board work.

Democratic tariff bills passed by 62d congress condemned.

Declares high cost of living not attributable to protective tariff.

Revision of banking laws and currency system advised; also better facilities for farmers' credit urged.

Civil service law approved; extension of competitive service favored.

Campaign publicity approved.

Established policy of republican party on conservation of natural resources to be continued.

More laws to aid bona fide home-seekers and settlers.

Adequate parcels post favored.

Protection of American citizens abroad regardless of religion, race or previous political allegiance.

Condemns action of democratic house in refusing to provide for additions to navy.

Merchant marine cited as one of country's most urgent needs.

Reclamation policy continuance recommended.

Liberal system of improving rivers and harbors.

Favors opening of coal lands in Alaska on proper leasing basis, which will aid development and supply fuel for navy and commerce of the Pacific ocean, while retaining title in the United States to prevent monopoly.

Undesirable immigration should be bridled by appropriate laws; party pledged to enact such.

Republican accomplishments set forth and approved include: Panama Canal, Bureau of Mines, postal savings bank; provision for aged and infirm sailors and for their widows; administration of pure food laws.

Greater economy and increased efficiency of government affairs commended.

velt in nomination and, therefore, deemed it their duty to carry out the instructions.

Completely New Party is Idea.

A new party from the ground up is the Roosevelt programme. After a series of discussions with his lieutenants, in which there were several clashes, Colonel Roosevelt decided, before leaving Chicago, to cut entirely away from the Republican party.

As an indication of his determination, he said that when he returned to Oyster Bay he would communicate with a number of Democrats he thought might wish to join the new party.

Governor Johnson said a national convention would be held late in July or early in August. The place has not been selected.

Committee Composed of 18 Members.

Instead of seven members, as was the announced intention, Governor Johnson named 18, all of whom have accepted. The committee is headed by Governor Johnson, who will be acting chairman. The others are:

Senator Moses E. Clapp, Minnesota; Senator Joseph M. Dixon, Montana; Senator Miles Poindexter, Washington; Governor C. A. Aldrich, Nebraska; Governor R. S. Vessey, South Dakota; F. A. Van Valkenburg, editor of the Philadelphia North American; Colonel W. R. Nelson, owner and editor of the Kansas City Star; former Congressman Richmond Pearson, North Carolina; William R. Prendergast, New York; James R. Garfield, Ohio; William Allen White, Kansas; Gifford Pinchot, California; Judge Ben E. Lindsey, Colorado; Mathew Hale, Massachusetts; George L. Record, New Jersey; Charles H. Thompson, Vermont; Colonel F. C. Carrington, Maryland.

Joint Maneuvers to be Extensive. Washington.—President Taft has sent a special message to congress recommending the immediate appropriation of \$1,350,000 for use of the war department in the joint maneuvers of the regular army and the national guard next month.

\$20,000 Damages Asked. Oregon City.—C. Scheubel, of the law firm of U'Ren & Scheubel, has filed suit for \$10,000 damages against the Morning Enterprise and \$10,000 damages against Gustav Schnoerr, president of the Deutsche Verein in Clackamas county.
