Shipping Notes

The Steamer WILLAMETTE arrived Sunday night, left out Tuesday night for San Pedro with 9000 feet of lumber and 60 passengers, all of her accommodations being taken. This is the first visit of the WILLAMETTE to St. Helens since January, she having been on the San Diego-Seattle run. From now on, she will visit St. Helens more regularly.

The Steamer YELLOWSTONE received part of her cargo here and left out Tuesday night for San Pedro.

Loading is progressing satisfactorily on the British Ship DUNSYRE and she should have the last of her cargo of two million feet of lumber loaded by the end of the month. She goes to Sydney, Australia.

The Steamer KLAMATH arrived Thursday night to complete her cargo of lumber for Southern California delivery. She will receive her passengers here and will sail Saturday night.

The Bark BRITISH YEOMAN which loaded a cargo here in December for South Africa has been chartered to load here again for Australia. The vessel is now enroute from South Africa to Australia where she will receive a cargo of coal for San Francisco, so she will not be here for several months yet.

Either the Bark POLTALLOCH or the LOEB TEMPELTON will also come to St. Helens for lumber. Both are now en route from Australia for San Francisco.

The Bark BATTLE ABBEY is looked for any day now. She is having an unusually long trip from San Francisco, now being out 19 days. She takes a cargo of lumber for Australia.

The Schooner KING CYRUS arrived today. She will load a cargo of lumber for delivery at San Pedro.

Services at the Congregational Church Sunday July 28th. Our vision of God, our correct interpretation of His word; depends upon our acquaintance with him.

Can we afford to risk our souls forever by neglecting to go to church and seeking to know God. The subject for Sunday morning will be "Growth" and in the evening "Our Vision of Tomorrow". All are most cordially invited. David Jopling, Pastor.

During the electrical storm in this vicinity last Saturday night, lightning struck the barn of Sherman Saxton two miles from Houlton killing three head of valuable horses and burning the large barn with its contents to the ground. Besides the horses in the barn there were 22 tons of hay, a wagon, buggy, harness

and other implements. The three horses were easily worth \$1000 and the other property destroyed including the barn, would reach \$1500, making a total loss to him of about \$2500 with \$700 insurance. This is the first instance known in this country where lightning has caused such heavy damage. Other persons have reported that it struck in various places in the neighborhood but no other damage was done.

Last Sunday the Wellington White Sox met the Michigan Wild Cats from Portland on the St. Helens grounds and after eight innings of Brilliant (?) base ball the score stood 20 to 3 in favor of the White Sox. Then Jimmy Hunt, the score keeper told them that 9 innings had been played and the game was off. Next Sunday a real game will be played between the White Sox and the All Star team from Portland. Fans will remember this bunch as the fastest crowd that ever visited St. Helens, so a good game will be played.
