WHY RAINIER?

Because it has six miles of the best fresh water harbor on the Pacific Coast, accommodating the largest seagoing vessels from all parts of the world, with a railroad running along the shore providing shipping facilities for manufacturers to load direct to ship or rail. It is a tributary to an almost inexhaustible supply of the best timber in the world and the richest agricultural ground. It has extensive deposits of clay for the highest known grade of brick and tiling, and immense deposits of iron ore and cement rock. It has cheap fuel and cheap electric power and it has a beautiful, elevated, healthy townsite with all modern improvements, a population of 2,000 and a pay roll of \$50,000 per month.

Very Serious

It is a very serious matter to ask for one medicine and have the wrong one given you. For this reason we urge you in buying to be careful to get the genuine—

THE FORD'S BLACK-DRAUGHT Liver Medicine

The reputation of this old, reliable medicine, for constipation, indigestion and liver trouble, is firmly established. It does not irritate other medicines. It is better than others, or it would not be the favorite liver powder, with a larger sale than all others combined.
