The School in District No. 20 began last Monday for a nine months term. The attendance is light at present on account of so many of the children having whooping cough.

The teachers for school District No. 20 are Gertrude B. Liggett, Principal and Mary A. Tierney, Assistant.

WARREN

Mr. Fred Boesel met with a very painful accident a few days ago while sawing wood. In some way his hand got caught in the wood saw, and was cut in several places.

Mrs. Shelby Garriott who was formerly Miss Lena Baker of this place, arrived here from San Jose, California, last Friday. She is teaching the primary room at Deer Island this year.

School began here Monday with Mr. J. W. Allen as principal, Miss Ella Muhr in the intermediate room and Miss Kate Baker in the primary room.

A great deal of corn, choice apples and pears are being shipped from Warren daily by the farmers.

A surprise party was given last Friday night at the home of Miss Ella Muhr, in honor of her birthday. Quite a number of her friends were present and enjoyed a very pleasant evening.

No better peaches could be found than those raised by Mr. E. Rylander this year. They were certainly beauties.

HOULTON

B. Lee Paget, Prohibition candidate for U. S. Senator and O. A. Stillman for Representative of the same party addressed our citizens from their auto last Monday. These men impressed us as being good straight forward business men with a keen perception of what our state needs.

Miss Griffiths of Portland made an equal suffrage speech to our people in the M. E. Church Tuesday evening. Her arguments were sound and logical and no doubt she made a few votes for the cause.

R. L. Welch received a message from Seattle saying that his cousin R. C. Welch was in a serious condition at the City Hospital as R. L. was preparing to go, a later message informed him that R. C. had died. The arrangements now are that the body will be brought here for burial.

Mrs. Wamsley of Deer Island was in Houlton and St. Helens Wednesday.

Mrs. Udy and Miss Fritz of Masten's Camp were in Houlton trading this week. Mrs. Fritz is reported to be sick at the camp.

W. H. Bumgardner is back from the State Fair and reports good crops considering the weather.

Mrs. Louise Wilson, representing the "Louise Home" for girls was soliciting subscriptions from the citizens of Houlton and St. Helens this week. She seems to have met with the success the institution deserves as the people contributed quite liberally.

Mrs. Wilson's personality is such as to inspire the confidence of all with whom she comes in contact and she is certainly engaged in a noble work.

Mrs. C. T. Prescott has espoused the cause of Woman Suffrage and has turned the care of the children and house work over to C. T.

Hurray for "The Oregon Mist"—the best paper in Columbia County. The last issue was a hummer. The editorials were better, news items snappier and the ads more liberal than ever before. If we all wake up to the advantages we have Columbia County will be second to none in the state.

Mrs. Will Karth of Yankton was trading in Houlton this week.

White & White have a show window filled with the latest styles of the famous Walk Over Shoes for men. They report several cases of Ladies shoes from the same factory soon to arrive.

CONTEST ARTICLES

ARTICLES IN THIS COLUMN ARE ENTERED FOR THE PRIZES FOR BEST ARTICLE ON THE POLITICAL SITUATION

First One for Wilson

I cannot vote for Taft for the following reasons. He was elected on a Tariff reduction platform and immediately used his influence to raise its worst features.

He assumed the role of a Czar by reading out of the party all Congressmen who voted against his wishes and deprived them of all patronage. In our own state only men who belong to the party which is discredited at every election, get the offices. In every case of official corruption his influence has been in favor of the wrong doer. When his administration was discredited in 1910 he could not see it. Even the Brutal Police of Lawrence, Mass., clubbing children back to starvation in the attempt to force their father to work at \$1.00 a day, on the highest protected industry, did not prevent him from vetoing the wool Bill under the pretence of assisting American Labor. When every Republican Primary Election rejected him personally at this election, he did not hesitate to prostitute his high office to corrupt the convention for his personal gain. His whole administration has been devoted to the assistance of Predatory wealth and against all

needed reforms and can only be understood on the belief that whom the Gods wish to destroy they first made mad.

When Roosevelt left the Presidency there was no man more honored in the world. Then it became known that he allowed Perkins & Co., to steal the Tennessee Coal Co., and enabled them to clear 50 millions against all law or justice.

If he had said he was deceived he still would have held the respect of the nation. But he says he would do it again and Perkins, in gratitude for past and in hopes of future favors, is now his chief supporter. I don't look to either of the candidates alone. I also look to their chief supporters, Perkins, Flynn, McCormick and Ormsby, McHarg, who a short time ago came to Oregon to debauch the legislature and get our representatives to perjure themselves. Either of these two candidates are willing to wreck the party or even the country with their rule or ruin policy. If Roosevelt had the good of the party or the reform measures he has now adopted at heart he could have had any of the able men who have been fighting for reform, before he even dreamed of supporting them, nominated at Chicago. Any one of these men would have carried the party to an honorable victory.

The Democrats since getting control of the House, have with the help of Progressive Republicans, been engaged in passing measures in line with the de-

mands of the people and the progress of public opinion. They have nominated a scholar and a gentleman and the leaders have shown they prefer the good of the country to any selfish aim. Contrast the corruption at Chicago with the public refusal of the votes of the corrupt Bosses and Predatory wealth at Baltimore. Compare the Public Character of each candidate's chief supporters, Penrose & Barnes, Perkins, Flynn & McHarg, Bryan, Clark & Underwood, and the voter who prefers Decency to Corruption, Patriotism to Party must vote for Wilson.

COMING TO St. Helens

ASSOCIATED SPECIALISTS, WILL BE AT THE St. Helens Hotel Thursday, Oct. 3rd AND WILL REMAIN ONE DAY ONLY

Remarkable Success of These Talented Physicians in the Treatment of Chronic Diseases.

Offer Their Services Free of Charge

The Associated Specialists, licensed by the state of Oregon for the treatment of deformities and all nervous and chronic diseases of men, women and children, offer to all who call on this trip, consultation, examination, advice free, making no charge whatever, except the actual cost of medicine. All that is asked in return for these valuable services is that every person treated will state the result obtained to their friends and thus prove to the sick and afflicted in every city and locality, that at last treatments have been discovered that are reasonably sure and certain in their effect.

These doctors are considered by many former patients among America's leading stomach and nerve specialists and are experts in the treatment of chronic diseases and so great and wonderful have been their results that in many cases it is hard indeed to find the dividing line between skill and miracle.

Diseases of the stomach, intestines, liver, blood, skin, nerves, heart, spleen, kidneys, or bladder, rheumatism, sciatica, diabetes, bed-wetting, leg ulcers, weak lungs and all those afflicted with long-standing, deep-seated chronic diseases, that have baffled the skill of the family physician, should not fail to call.

According to their system no more operations for appendicitis, gall stones, tumors, goiter or certain forms of cancer. They were among the first in America to earn the name of the "Bloodless Surgeons," by doing away with knife, with blood and with all pain in the successful treatment of these dangerous diseases.

If you have kidney or bladder troubles bring a two-ounce bottle of your urine for chemical analysis and microscopic examination.

Deafness often has been cured in sixty days.

No matter what your ailment may be, no matter what others may have told you, no matter what experience you may have had with other physicians, it will be to your advantage to see them at once. Have it forever settled in your mind. If your case is incurable they will give you such advice as may relieve and stay the disease. Do not put off this duty you owe yourself or friends or relatives who are suffering because of your sickness, as a visit this time may help you.

Remember, this free offer is for one day only.

Married ladies must come with their husbands and minors with parents.

YANKTON FAIR—SEPT-25-26

Everybody take something to the Yankton Fair; if you can't take the Pigs and Pumpkins, go yourself and take the family. The Fair is a public institution in the fullest sense; it is the result of community work and cannot exist without the cooperation of its officers, its exhibitors and its visitors. Those who can exhibit and do not have failed in their duty to their neighbors and more especially to themselves. The prizes to be won are small but the Blue Ribbon is worth much more and will well repay you for the trouble. Don't forget the dates, September, 25 and 26. See the ad in this issue of the Mist.
