Remarkable Success of These Talented Physicians in the Treatment of Chronic Diseases.
Offer Their Services Free of Charge

The Associated Specialists, licensed by the state of Oregon for the treatment of deformities and all nervous and chronic diseases of men, women and children, offer to all who call on this trip, consultation, examination, advice free, making no charge whatever. All that is asked in return for these valuable services is that every person treated will state the result obtained to their friends and thus prove to the sick and afflicted in every city and locality, that at last treatments have been discovered that are reasonably sure and certain in their effect.

These doctors are considered by many former patients among America's leading stomach and nerve specialists and are experts in the treatment of chronic diseases and so great and wonderful have been their results that in many cases it is hard indeed to find the dividing line between skill and miracle.

Diseases of the stomach, intestines, liver, blood, skin, nerves, heart, spleen, kidneys, or bladder, rheumatism, sciatica, diabetes, bed-wetting, leg ulcers, weak lungs and those afflicted with long standing, deep-seated chronic diseases, that have baffled the skill of the family physician, should not fail to call.

According to their system no more operations for appendicitis, gall stones, tumors, goiter or certain forms of cancer. They were among the first in America to earn the name of the "Bloodless Surgeons," by doing away with knife, with blood and with all pain in the successful treatment of these dangerous diseases.

If you have kidney or bladder troubles bring a two-ounce bottle of your urine for chemical analysis and microscopic examination.

Deafness often has been cured in cured in sixty days.

No matter what your ailment may be, no matter what others may have told you, no matter what experience you may have had with other physicians, it will be to your advantage to see them at once. Have it forever settled in your mind. If your case is incurable they will give you such advice as may relieve and stay the disease. Do not put off this duty you owe yourself or friends or relatives who are suffering because of your sickness, as a visit this time may help you.

Remember, this free offer is for one day only.

Married ladies must come with their husbands and minors with parents.
