WHY CONGRESSMAN HAWLEY SHOULD BE RE-ELECTED TO CONGRESS

Because he surpasses all opposing candidates in ability, experience and qualifications for Congressman.

Because all his interests are in Oregon, where he was born, and he knows her people, resources and industries.

Because, he annually travels thousands of miles over the First District, learning the needs of his constituents, and has secured millions of dollars for their benefit, and has aided veterans, land entrymen and others.

Because he has been a faithful servant of all of the people and not a favored few, and in national affairs has reached a position of influence so that Presidents Taft and Roosevelt, his associates of all parties, and constituents generally praise him in terms similar to those used by Governor West, who said in an interview after a visit to the National Capital:--"In intellect, oratorical ability and devotion to the interests of the people, Hawley stands head and shoulders above the great majority of the members of the National House of Representatives."

(Pd. Adv. Congressional Committee, 1st District.)

WHY E. B. TONGUE SHOULD BE RE-ELECTED

He is acknowledged to be the best prosecutor in the State of Oregon.

Has lost less than 25 out of over 700 cases.

Columbia County has not paid out a cent for lawyers to help him.

Columbia County has not lost one cent through wrong advice.

Since this district has had two judges he has been doing the work of two men on the same pay.

He tries all Circuit Court cases himself.

He has won every criminal case tried in the Supreme Court.

He has given to Columbia County all the time provided for by law. Columbia County needs more of his time but the law must be changed as it only provides for two terms a year.

A good officer should always be given a second term.

There is not one single good reason why he should be defeated.

He does more work than any two District Attorneys in the State. The records prove it.

Ask your neighbor who has served on either a petit or grand jury, about him.

Ask Judge McBride, Judge Eakin or Judge Campbell about his work, or any one else who knows.

WHAT MR. HEDGES HAS DONE.

He was district attorney for this district 15 months just before Mr. Tongue; at a time when there was only one judge, yet he tried only three cases, one of them pleading guilty, one a mistrial and the third convicted. When he went out of office the work was so piled up that a special term of Court was called to dispose of his cases. Compare the records of the two men.

BOURNE MADE GOOD

Senator Bourne has done more for Oregon than any other Senator she ever had; has called the attention of the people of the country to Oregon as the leader in Progressive movements. His defeat would be little less than a calamity to the country. And every man that votes against Bourne at the coming Primary will live to regret it.--Summary of statement by Robert La-Follette, Portland, April, 1912.

The Senator has rendered a service of which his constituents at home are hardly aware. He has brought vividly before the people of the United States the facts connected with Oregon's effort to make her government really a government of the people, and the way the experiment has actually worked, and there are many of the outsiders who owe Senator Bourne a very real debt of obligation for what he has done in familiarizing us with the actual workings of what you have experimented with, attempted, and done here in Oregon; and I wish to state my obligation to him for that work, and also the obligation that all of us everywhere feel toward Oregon for what it has done in pioneering along these lines.--Theodore Roosevelt, in speech at Multnomah Hotel, Sept. 11, 1912.

Senator Bourne rendered splendid service to Oregon and the entire nation. Senator Bourne deserves the votes of every loyal granger in Oregon, and I believe he will not have the slightest trouble in being returned by a good majority.--C. B. Kegley, Master of the Washington State Grange. Copy furnished by Bourne Popular Govt. Club.

I respectfully ask for a second term in this office and promise a full and fair enforcement of the laws.

To the Taxpayers and Voters of Columbia County

Having fulfilled all requirements necessary to have my name printed upon the ballot as a candidate for the position of County Surveyor of Columbia County, I desire to say that I have been engaged continuously for more than 20 years as surveyor and draftsman on the Pacific Coast, from Southern California to Copper River in Alaska. Was engaged with County Surveyors in Los Angeles and San Bernardino Counties four years, principally on highway construction.

Having been located in Columbia County since December, 1911, I have desire to remain at least two years longer and if successful in securing the majority of votes in November will endeavor to so conduct work of the County in surveying and all other undertaking pertaining to said office to the satisfaction of the taxpayers within said County.

H. C. Miller, St. Helens, Ore.

For County Commissioner

J. A. S. D. McKay

For County Judge of Columbia County James D. McKay. Favors--Permanent Road Building. Opposes--Waste of Tax payers' money.

To the Voters of Columbia County.

You are no doubt aware that my name will appear upon the ballot for the office of Sheriff of this county at the coming election. As it will be impossible for me to make a personal campaign throughout the county, I take this method of asking you for your support. For the past four years I have been located in St. Helens, Oregon, where anyone can tell you of my ability and character.

If elected to the office of Sheriff, I promise to attend to the duties of office in a strict and business-like way, serving the people.

I have no friends to reward and no foes to punish, but if elected I will administer the affairs of the office in a proper manner to all. There are several innovations in regard to the management of the office I intend making, if elected, which I believe will be a big success and which will save the taxpayers of this county considerable money. The laws will be enforced to the extent of my ability and I feel confident in saying that you will never regret casting your vote in my behalf.

Thanking you in advance, I am, Yours very truly,
N. H. KINNEY.
