

WILSON GETS BEAVER STATE

Woman Suffrage Wins—Single Tax Is Defeated.

Lane and Selling Close for Senator—Bourne Snowed Under—Public Service Measure Wins.

Portland, Nov. 7.—Any lingering doubt that may have existed of Woodrow Wilson's victory in Oregon was removed by the receipt of fuller returns from Multnomah county and the state at large, but the figures still failed to give final results on the senatorial situation.

The contest for senator is conclusive only in being between Selling and Lane. Bourne is badly out of it.

Last night Selling showed a gradual creeping up on his opponent, who theretofore had been in the lead, and there is a prospect that he will carry the state, although it may require the complete count to confirm his election.

The returns leave no room for doubt as to any results on the state ticket and congressional ticket. Hawley, in the First, Sinnott, in the Second, and Lafferty, in the Third, are well to the good over their opponents.

Olcott is elected secretary of state. Mickle, dairy and food commissioner, and Alchison, railroad commissioner, and Wilson will have a plurality over Roosevelt of about 7500.

There is still an element of doubt as to whether Roosevelt or Taft will win second place, but the outlook seems to favor Roosevelt. In the state outside of the county, Roosevelt and Taft totals are almost identical, but in Multnomah county the returns indicate a final lead for Roosevelt over Taft of about 2000.

With about one-half the vote counted in Multnomah county and the state outside, the totals on president are as follows:

Wilson 21,088, Roosevelt 17,341, Taft 16,196.

Returns for about one-half the vote outside of Portland are at hand, and these added to the Multnomah county figures, which are also representative of about one-half the vote, give Selling a slight lead. However the outside vote is more nearly compete for the anti-Selling counties than from those that are supposed to go for the Republican candidate.

The total figures are as follows: Selling 20,496 Lane 20,512 Bourne 13,532, Clark 5697, Paget 3095. This gives Lane a lead of 178 votes and indicates a final plurality against Bourne of about 12,000.

SUFFRAGE HAS SLIGHT LEAD

Too Many Road Measures Brings On Defeat of All

Portland, Or., Nov. 7.—The count at 2:30 a. m. in Multnomah county on woman suffrage was: Yes 8029; no 7627.

State, outside of Multnomah county: Yes 12,210; no 11,361.

The Malaker public service bill, submitted by referendum, it is indicated, will have a substantial majority.

As was forecast, the three-cornered controversy over road measures apparently has resulted in the defeat of all plans, although the harmony amendment limiting county indebtedness for roads is in doubt. Seemingly all tax measures submitted by the tax commission and legislature, except the repeal of county tax option and probably the bill exempting the exemption of household effects, have been rejected.

The capital punishment bill, which, if adopted, would have abolished the death penalty in Oregon, is defeated according to incomplete returns by upward of 20,000 votes. The Cascade county measure is snowed under and the hotel inspector bill is in the running for cellar championship. The blue-sky law also seems to have gone to its death in the avalanche of "noes." It is probable that the anti-boycott bill has been defeated, but there is still doubt as to the anti-street speaking law.

T. R. and Wilson are Close.

Baker, Or.—Roosevelt and Wilson are running close in Baker county from all indications, though as yet little more than a prediction is possible. Roosevelt is possibly the favorite by a slight margin. Lane and Clark are in the lead for senator, though neither is conceded victory. Reports are coming in slowly, especially from the outlying precincts. City reports will not be definite till late. A large vote was cast, and unusual interest manifested in the election.

Wilson Ahead in Klamath.

Klamath Falls, Or.—Incomplete returns from four precincts in Klamath county give for president—Taft 29, Wilson 61, Roosevelt 42.

Senator—Bourne 18, Clark 1, Paget 3, Selling 40, Lane 43. Representatives in congress—Graham 37, Sinnott 64, Bryan 25. Justice of Supreme court—Eakin 42, Slater 29. Dairy and Food commissioner—Lea 25, Mickle 42. Railroad commissioner—Campbell 42, Vogt 7. Suffrage—Yes 65; No 48. Single tax—Yes 41; No 58.

Race in Marion Close.

Salem, Or., Nov. 7.—Twelve complete precincts out of 51 in Marion county give Taft 380 Wilson 323 and Roosevelt 308. Selling has 380, Lane 261, Paget 108, Bourne 124 and Clark 85. Secretary of state—Olcott 619, Ryan 195, Kennedy 10. Supreme Judge—Eakin 556, Slater 246. Food commissioner—Lea 261; Mickle 467. Woman suffrage—Yes 592, no 574. Single tax—Yes 329, no 904. Abolish capital punishment—Yes 425, no 673.

INTERVENTION IS SOUGHT.

Porte Permits Powers to Send Warships to Guard Subjects.

London—Application has been made to the embassies in Constantinople for mediation by the powers and to end the hostilities and arrange a peace agreement.

The ambassadors prior to this had asked the Porte to grant permission to each of the great powers to send one warship through the Dardanelles, and this request had been complied with. The only guarantee of safety for the native Christians and perhaps foreigners in Constantinople is to be found in the presence in the harbor of the Turkish capital of the warships of the great powers.

It is the general belief that Bulgaria will refuse to listen to anything in the way of intervention until the Bulgarian army is at the gates of Constantinople, and will insist that Turkey make an appeal directly to the allies without interference from the powers.

The powers have not been able to agree upon the French premier's formula of "territorial disinterestedness" which is not acceptable to Austria or Germany. The powers are taking steps for the protection of Christians and their own political interests in Turkey. One warship in addition to the vessels already dispatched to Turkish ports will be sent through the Dardanelles by each of the powers. The besieging forces are tightening their grip around Adrianople and the bombardment is becoming more vigorous. In other directions the allies are concluding their occupation of Turkish territory. The Greeks have taken Nicopolis and Preveza, and have landed a division at Stavros, which is marching to attack Saloniki.

The wounding of Wilson in his automobile is not serious and the Democratic presidential nominee filled his speaking engagements in Paterson and Passaic, N. J., closing the campaign.

Dr. J. M. Carnochan, the governor's family physician, who dressed the wound, issued the following statement:

"When I saw Governor Wilson I found he had received a laceration of the scalp about three inches in length. Otherwise he was in good condition, and seemed to be suffering no ill effects."

WILSON HURT IN AUTOMOBILE

Hard Jolt Throws Him Against Roof, Cutting Scalp.

Princeton, N. J.—Governor Wilson wears a narrow strip of collodion and gauze across the top of his head, covering a scalp wound three inches long which he received Sunday in a motor car mishap on the way home from Red Bank, N. J.

His automobile struck a mound in the road and bolted him up against a steel rib in the roof of the limousine car.

FEATURES FOR APPLE SHOW.

All Comers Will Be Fed on Apple Pies Absolutely Free.

Spokane—The opening gun of the Fifth National Apple show will be one of the most unique events ever held in the West. At noon Monday, the Mystic Order of Enakops will give their big parade, in which the free "apple pie fest" will be featured. A huge kettle, 18 feet high, 10 feet in diameter, and weighing 3500 pounds, will hold the parade. It will be drawn by 16 white horses, and 1000 Enakops, dressed as waiters, will constitute a bodyguard. On arriving at the apple show grounds, 500 bushels of apples will be placed in the kettle and made into sauce to be used in pies. The pies will be distributed free to the public.

Candidates Get Refund.

Salem, Or.—A refund of \$1775 will be made to those who contributed under the law \$70 a page for space in the initiative and referendum pamphlet. The pamphlets this year were printed at an expense of \$45 a page, as compared to the \$60.45 a page charged in 1910. Those who submitted matter were compelled to make a deposit of \$70 a page to guarantee the cost, as provided by law. Candidates will soon receive their rebates.

Racing Balloon Lands in Russia.

Kansas City—George M. Meyers, president of the Kansas City Aero club, received a cablegram from John Watts, pilot of the balloon Dusseldorf, one of the entrants in the international balloon race which started from Stuttgart, Germany, saying that Watts had landed at Pskov, Russia, a short distance from St. Petersburg, and that both he and his side were well. The cablegram received by Mr. Meyers read: "Both well and free. Watts." The men have probably been held by Russian authorities.

Navy Women to Organize.

Newport, R. I.—An effort is to be made here to form an organization of wives of naval officers that will be of benefit to them during the absence of their husbands at sea or while they are away on other missions. There is to be a meeting of the women, mostly wives of active or retired naval officers, and the first formal steps toward forming the new organization will be taken. It is the hope of the projectors that the movement will spread to other places where there are naval stations.

Czarevitch Hurt By Fall.

St. Petersburg—The first official statement as to the cause of the illness of the Czarevitch was given out by the attending physicians. It says that while the heir to the Russian throne was at Bielovesh in September, he attempted to spring into a boat. The distance was too far and he fell, but nothing wrong was noticed until September 29, when a painful swelling of the groin and bleeding of the abdomen developed.

Major-General Is Dead.

Washington, D. C.—Major General Robert O'Reilly, ex-surgeon general of the United States army, personal physician and intimate friend of President Cleveland, died here of uraemic poisoning.

WILSON IS ELECTED

National Democratic Candidates Sweep the Country; Change in Both House and Senate Sure.

ROOSEVELT RUNS SECOND

Democracy Captures Over Four Hundred Electoral Votes.

New York and Ohio Are for Wilson; Pennsylvania and Illinois Line Up for Teddy.

New York, Nov. 7.—Only the uncertainty of a few close states, whose electoral vote in no way can affect the election of Wilson and Marshall, speculation over the popular vote of the an-

WOODROW WILSON, OF NEW JERSEY.

three presidential candidates and the complexion of legislatures that will name United States senators, held interest today in the final returns of the general election.

The total of the Republican electoral column apparently was fixed with the eight votes of Utah and Vermont, but the footing of the Wilson and Roosevelt columns flickered alternately during the day and night, as late returns from Iowa, Kansas, Minnesota, South Dakota and Wyoming gave indications of changing results first accepted.

On the basis of the latest returns with the vote of Illinois, Minnesota, and Wyoming placed in the "doubtful" column, President-elect Wilson had 420 certain votes in the electoral college, Roosevelt 65 and Taft 5.

All of the doubtful states gave more or less certain indications during the night of landing in the list of Wilson electoral votes.

Early returns gave Woodrow Wilson and Governor Marshall the "Solid South" and the states of Connecticut, Delaware, Kentucky, Maine, Maryland, Massachusetts, New York, West Virginia, Indiana and Missouri. Rhode Island also became a doubtful state on the first returns, and, based on the later votes reported, it seemed not wholly improbable that its five electoral votes would go to Wilson. The early returns gave an apparent victory to Taft in New Hampshire.

The vote in Utah as reflected in the first dispatches gave indications that that state would be carried by Taft.

The vote in Pennsylvania was amazingly close, the returns from more than 1000 precincts embracing 185,000 voters giving each of the three leading presidential candidates more than 60,000 votes.

President Taft's Lead in Philadelphia Districts Was Offset by the Heavy Vote

Wilson Honored at Home. Staunton, Va.—By an overwhelming majority Woodrow Wilson carried his birthplace, Staunton, Va. The vote was: Wilson 632; Taft 287 and Roosevelt 65. Likewise the Colonel carried Oyster Bay, his present home town by a big majority, the voters favoring Taft with only a handful of votes. The returns showed Roosevelt 510; Wilson 218 and Taft 67. In Roosevelt's own election district he received 231, Wilson 83 and Taft 28. At Lincoln, Neb., Bryan's voting district Wilson polled 77, Roosevelt 47.

Cannon's Defeat Likely.

Danville, Ill.—Meager returns indicate the defeat of ex-Speaker Cannon by Frank T. O'Hair by about 1200 plurality in the Eighteenth district. Six precincts in Vermillion county, normally Republican, gave Cannon 417 and O'Hair 374, indicating that the latter is holding his own in Cannon's home county, where he expected to get votes to offset the southern counties conceded to O'Hair, who claims Cumberland, Clark, Edgar and Irons counties will give him a plurality of 1200.

South Dakota Is Uncertain.

Sioux Falls, S. D.—Slow returns from scattered precincts of South Dakota indicate Roosevelt and Wilson running a neck-and-neck race. Returns from 175 out of 1553 precincts give Wilson 882, Roosevelt 824, Byrne, Rep., and Johnson, Dem., for governor are running virtually even.

South Carolina 50,000 Democratic

Columbia, S. C.—Indications are that Wilson has carried South Carolina by more than 50,000 majority.

polled by Roosevelt and Wilson in other parts of the state.

Many surprises were shown in the returns. The New York state assembly seemed to be overwhelmingly Democratic. In Illinois, indications were that Judge Dunne, the Democratic candidate for governor, had won notwithstanding the heavy Roosevelt victory. Former Speaker Cannon seemed to have been defeated for reelection to congress in Illinois.

In addition to Roosevelt's apparently certain victory in Illinois, the confident claims of the Roosevelt managers that Iowa, Michigan and Kansas would fall into the Roosevelt column seemed verified by the partially complete returns. The returns from California were meagre, but left the state in doubt between Wilson and Roosevelt. The uncertainty regarding Vermont was settled by the an-

QUEER BETS MADE.

One Man Will Have to Kiss Ten Horses if He Loses.

New York—The queerest of all strange bets that must be paid on the election is that of the man who agreed to kiss the first ten horses he met in the street if his candidate was defeated. But there are plenty of other odd forfeits to be paid in case of defeat and here are some of them:

A well-known Scotch resident of the Bronx agreed to wear his kilties to work for a month if Roosevelt was elected.

One man agreed to hug all the lamp posts on Broadway between Herald and Longacre squares if Sulzer was defeated.

A Brooklyn man must invite his mother-in-law to his house for the winter.

Several men will have to go swimming at Coney Island every Sunday for a month.

A Brooklyn girl had to give a gum drop to the first ten men she met.

A Staten Islander must live on oysters for ten days.

Roosevelt Second in Maryland.

Baltimore—Woodrow Wilson carried Maryland by from 20,000 to 25,000 plurality, estimated from figures received up to a late hour. Roosevelt ran second.

Nicholas Longworth Re-Elected.

Cincinnati—Nicholas Longworth, son-in-law of ex-President Roosevelt, was elected to congress from the First Ohio district.

Arkansas Wilson's By 60,000

Little Rock, Ark.—Wilson carried Arkansas by about 60,000 majority.

Kansas for T. R. By 10,000

Topeka, Kan.—Returns at the latest indicated that Roosevelt would carry Kansas over Wilson by probably 10,000 plurality. Taft apparently was running a poor third.

Capper, Rep., for governor, was leading Hodges, Dem., and Stubbs, Rep., for United States senator, was slightly ahead of Thompson, Dem.

Mississippi Democratic By 105,000

Jackson, Miss.—The Democratic majority in Mississippi is estimated at 105,000.

APPLE SHOW BEST EVER HELD

Entire Northwest and Many Other Sections Send Exhibits.

Spokane—Exhibits from practically all apple-growing districts in the Pacific Northwest, and many from more remote points, will make the Fifth National Apple show, in Spokane, November 11 to 17, the most representative ever held.

The management has received assurances of exhibits from all important districts, and the opinion is held that 4,000,000 apples, or twice the number at any previous National show, will be on display. Both the Wenatchee and North Yakima valleys are preparing to place a number of carloads, in addition to numerous box and plate displays. Proportionately large entries will come from other districts.

"It is now merely a matter of taking care of the exhibits at the apple exposition," says Chairman Day, of the board of trustees. "The exhibits already pledged are sufficient to assure the largest show in our history."

The world's championship apple-packing contest promises to be one of the most exciting features of the exposition. The event will be held at 1 o'clock on the afternoon of November 17. In addition to the world's championship title, the winner will get \$100 in cash, with second and third prizes of \$50 and \$25 respectively. The packing contest proved one of the big features last year, and the management has received assurance from many expert packers that they will be here to compete this year.

TURKS' ARMY Routed; ROAD TO CAPITAL OPEN

London—Nasim Pasha, the Turkish minister of war, and commander-in-chief in Thrace, has either been shot or taken prisoner, according to a dispatch from Sofia to the Post.

A four days' battle in Thrace had ended in the triumph of the Bulgarian Commander-in-chief, General Savoff, whose skilful strategy has probably brought to a close one of the shortest and most remarkable wars on record.

A great Turkish army, estimated at more than 200,000 men, has been defeated and is in retreat.

Constantinople is believed to be at the mercy of the victorious Bulgarian army and a council, sitting at the porte, is discussing the advisability of suing for peace.

EDDY ESTATE APPRAISED.

Christian Science Church Gets \$82,843 in Personal Property.

Boston—Mrs. Mary Baker G. Eddy, founder of the Christian Science church, had in Massachusetts at the time of her death \$82,843.75 in personal property and real estate valued at \$155,000, according to the report of Thomas W. Streeter, Frederick E. Jennings and John W. Worthington, who were appointed by the probate court to appraise the estate. They were instructed to make return to Josiah E. Fernland, of Concord, N. H., administrator of the will of Mrs. Eddy, allowed by the courts of New Hampshire.

All the personal property goes to the Christian Science church under the decision of the Supreme court of New Hampshire, which sustained the will of Mrs. Eddy.

The entire amount which the New Hampshire administrator will turn over to the church is about \$2,000,000.

The Massachusetts court, which has jurisdiction only over the \$155,000 of real estate within the commonwealth, had decided that the statute bars the Christian Science church from receiving this property as left by Mrs. Eddy's will, but that the property may be administered as a charitable trust by the trustees appointed by the court.

Roosevelt Takes Long Walk.

Oyster Bay, N. Y.—With George W. Perkins and Senator Dixon, his campaign leaders, Colonel Roosevelt discussed the political situation for two hours. Mr. Perkins and Senator Dixon too, dined with the Colonel.

In the afternoon Colonel Roosevelt took the longest walk he has had since he was shot, tramping about the grounds near his home for an hour. He said he felt no ill effects from his trip to New York. Colonel Roosevelt will go to New York to attend the Roosevelt Progressive rally.

Turks Roast Foes Alive.

London—The Serbian legation has received a dispatch from Belgrade giving accounts of atrocities committed by the Turkish troops before abandoning the country conquered by the Serbians. "Wherever the Turks had passed," says the dispatch, "the Serbian army found only land strewn with bodies of men, women and children, mutilated in the most barbarous fashion. Bodies of men were also found bound to trees. They had been burned alive by means of fires kindled under their feet."

City May Own Phone System.

Seattle—The city council has engaged an Eastern expert to make an estimate of the cost of establishing a municipal telephone system. It is the council's intention to submit to the voters on March 4, next, a proposition to vote bonds for such a system. The state public service code authorizes municipalities to operate water, light, power and street railway plants, but is silent as to a telephone system.

Greeks Occupy Two Islands.

Athens—Admiral Count Ortiotis, in command of the Greek squadron in the Aegean, announces that the islands of Thasos and Sobros have been occupied and the Greek flag raised. It has an area of 150 square miles and a population of 12,000, mainly Greeks.

Thirty Volcanoes Awakened.

Sydney, N. S. W.—Thirty volcanoes have broken into activity in the island of Niuafoou, in the Tonga group, and many remarkable changes in the physical features of the island have resulted. A large lake in the center of the island has dropped two feet from its original level.
