You must notify each other of any proposed extraordinary expenditures at least five business days prior to incurring these extraordinary expenditures and account to the court for all extraordinary expenditures made after these restraining orders are effective. **WARNING - IMPORTANT INFORMATION**

California law provides that, for purposes of division of property upon dissolution of a marriage or domestic partnership or upon legal separation, property acquired by the parties during marriage or domestic partnership in joint form is presumed to be community property. If either party to this action should die before the jointly held community property is divided, the language in the deed that characterizes how title is held (i.e., joint tenancy, tenants in common, or community property) will be controlling, and not the community property presumption. You should consult your attorney if you want the community property presumption to be written into the recorded title to the property.

"The bike trail appears to have been fast-tracked," she said. "It was originally designated to be a horse trail. So while there's a little frustration, we want to work together with all the user groups."
