

OBITUARIES

Lawrence 'Hutch' Frederick Hutchinson

April 14, 1922 — June 10, 2016

Lawrence "Hutch" Frederick Hutchinson, 94, of Sublimity, passed away June 10, 2016, at his home, after a few months of generally declining health.

Hutch was born in East Pittsburgh, Pennsylvania, to Enoch and Elizabeth Dagnall Hutchinson. The youngest of eight children, all of his siblings Elizabeth (Jack) Egloff, David (Flo), Thomas, John (Catherine) and Mary Audrey (Fred) DeMuth preceded him in death. He is survived by his wife Marilyn; children Pam, Robin (Rocky) Hunter, Lawrence (Joan), Mark (Jenny) and Diane (Ed) Newby; 11 grandchildren and six great-grandchildren.

Hutch graduated from East Pittsburgh High School in 1942, lettering in basketball and football for three years. Soon after graduation he enlisted in the Coast Guard, serving on the USS Brunswick 1943-1946. Hutch liked to share stories about his time in the Coast Guard and proudly wore a Coast Guard hat for many years. After an honorable discharge Hutch worked at the Braddock, Pennsylvania, Edgar Thompson Steel Mill as a slagger and molder's helper. Next he worked at the Union Railroad round house in Braddock, drying and loading sand for traction, and backing the train into position to be filled with water and coal.

When he decided to take advantage of the GI Bill, the term had already started so he temporarily worked at GE in Erie, installing throttles in electric engines destined for cars going into South American mines. After enrolling at Edinboro State Teacher's College in January, 1949, Hutch attended every summer in order to graduate in three years. Graduating at mid-year he was unable to find a job and nearly re-enlisted in the military, but instead re-entered Edinboro to earn his elementary teaching credential.

That was the year he began dating the love of his life, Marilyn Minnis. They were married Aug. 7, 1953 in Meadville, Pennsylvania. Hutch and Marilyn moved their family to

southern California in 1960 so Hutch could take a job with the Garden Grove School District, where he taught for 20 years. He worked a second job in park security at Disneyland and told many interesting stories about his time there.

After retirement Hutch and Marilyn took off in their pickup with fifth-wheel attached, traveling across the country visiting family and friends. They lived at times in Oregon, Texas, New Mexico, California, and Missouri, until finally settling in Sublimity. For several years Hutch and Marilyn were avid square dancers. Hutch enjoyed collecting stamps, assembling puzzles, reading westerns and Sudoku. When someone asked Marilyn why she first dated Hutch her answer was "because he's so funny". Hutch was known for his sense of humor and positive outlook on life, and will be missed by all who knew and loved him.

Timothy J. Molin, 68, of Mt. Angel, died May 6,

2016, of kidney disease. A celebration of his life was held May 14 at St. Clare's Parish in Portland. Tim was born Feb. 19, 1948, in Portland to Bob and Georgia Molin. Tim was developmentally disabled, but able in many ways.

He attended Roeker Day School and was a Cub Scout. He lived at Fairview Training Center, where he worked in the canteen, and sang in the choir. Tim eventually left Fairview and lived in Salem and Portland, finally calling Mt. Angel his home. He was active in the community, helping at Oktoberfest, volunteering at the Benedictine nursing home and his favorite position, being a "stand-by" fireman with the Mt. Angel Fire Department. He avidly listened to police and fire department calls on his ham radio.

The Fire Department befriended Tim and he always attended "drill night" and events. We are forever grateful to them for their caring and kindness to Tim.

Tim worked in a sheltered workshop assembling hospital kits most of his adult life. He retired from this position in October 2015.

Lawrence 'Larry' Richard Kassell

July 11, 1944 — June 11, 2016

Larry was a gifted artist with a heart of gold. Blessed with a talent so brilliant even his handwriting was a work of art, he saw things with laser focus. Painting, photography, typography, writing, graphic design or music, his co-creations with God were a blessing. He used them to amaze and amuse anyone fortunate enough to share them. Larry made a heart-print on everyone he met and his wit and whimsy made us laugh, while the beauty and sensitivity of his soul often brought us to tears.

Larry is survived by his wife Julia "Judy" and children Tara (Greg) Dubenko, Tami Sprauer, Tasha Kahn, Tina West, Rick (Adria) Kassell, Micah (Maya Mori) Kassell, 16 grandchildren and two great-grandchildren. Sisters: Donna (Jerry) Janszen and Karen Eckley.

For each of us Larry will be an eternal gift and he will be missed more than words can say.

A memorial service in his honor will be 11 a.m. June 28 at First Christian

Church in Silverton. In lieu of flowers, contributions can be made to Silverton First Christian Church, or The Knight Cancer Institute and spec-

ify research for T Cell Prolymphocytic Leukemia.
