

**OBITUARIES**

**Andrea Marie (Wiesner) Moffett**

July 30, 1981 — April 24, 2017

Anndrea Marie (Wiesner) Moffett left us on Monday, April 24, in Salem after a short illness. Anndrea was born July 30, 1981, in Silverton to Norman and Debbie Wiesner. She grew up in Silverton, graduating from Silverton High School in 1999. She received her bachelor's degree from Oregon State University in 2003. Eight years ago, she married Ty Moffett of Junction City, and was blessed with two beautiful children, Colton and Caitlin. Anndrea was a Project Controller at OBEC Consulting Engineers of Salem.

Anndrea was a wonderful daughter, loving wife and adoring mother. Her children, Colton and Caitlin meant the world to her. She was also a bright and determined young woman that excelled at planning, organizing and taking charge of events. Anndrea enjoyed traveling, sewing, crafts, family campouts and beach trips. Another of her pleasures was attending Oregon State football and baseball games with Ty, cheering on their beloved Beavs.

Anndrea is survived by her husband Ty Moffett; their son Colton and daughter Caitlin of Salem; her parents Norman and Debbie Wiesner of Silverton; her

older brother Mike (Amanda) Wiesner and their daughter Lilly of Keizer; her younger brother Dave (Sarah) Wiesner and their children Elizabeth Wiesner, Cyanna Haselip and Isabelle Haselip of Silverton; her grandmother Ann Maurer of Mt. Angel; and many loving aunts, uncles, and cousins. Anndrea was preceded in death by her grandfather, Alex Maurer of Mt. Angel, and grandparents George and Mildred Wiesner of Silverton.

Anndrea was taken away too early, but will be with God and his angels watching over us.

Funeral liturgy was held May 2 at St. Mary Catholic Church of Mt. Angel, with recitation of the rosary held prior. Interment was at St. Paul Catholic Cemetery in Silverton.

Arrangements with Unger Funeral Chapel of Silverton. Any donations received will go towards the children's education care of Unger Funeral Chapel.

**Carl Alfred Reed, Sr.**

Jan. 5, 1924 — April 20, 2017

Carl Alfred Reed, Sr., a long-time resident of Silverton, passed away peacefully in the early morning hours of Thursday, April 20, in his home of three and a half years at Mount Angel Towers. He

was 93. Carl was born on the family homestead in Yuma County, Colorado, son of Earl and Anna (Steinke) Reed. He was the sixth of eight children. He spent much of his youth on the family farm in Perkins County, Nebraska, before settling with his family in the North Howell area of Marion County in 1937.

After graduating from Stayton High School in 1942, Carl joined the Army Air Corps as a 1st Lt. and pilot of B-25 aircraft, a member of the Air Apaches, 345th Bomb Group. He served with distinction in the Pacific Theater of World War II, participating in many successful bombing missions. On one such mission over what is now Taiwan, Carl's aircraft was damaged by heavy artillery and was forced to ditch in the South China Sea. Despite injury, he escaped the wreckage with all but one of his crew, who were later rescued by a U.S. Navy submarine. He was returned to his base and resumed flying until the end of the war.

While on leave from the Army Air Corps, before deploying overseas, Carl met Ann Lynch at the Palace Theater in Silverton, and their romance blossomed while writing letters back and forth. Carl even named his plane "Annie." Upon honorable discharge from his military service in 1946, Carl proposed to Ann at the Oregon State Fair and they were mar-

ried on Nov. 8, 1946, settling in Silverton. They raised four children, one boy and three girls.

He spent 36 years as a master mechanic for the Oregon State Highway Division while working hard to maintain their family farm, retiring in 1983. Carl was an avid bowler and long-time bowling league participant at Silver Creek Lanes. He was dedicated to his annual fall elk hunting trips with his friends, watching his grandchildren in their many activities, cheering on Silverton High athletics, and traveling with Ann. He was devoted to his family until the end, enjoying their many gatherings throughout the years.

Carl is survived by his three daughters: Linda (Herb) Romey of Amity, Cindy (Larry) Key of Covington, Washington, and Cheryl (Rick) Rue of Salem; daughter-in-law Cindy Reed of Portland; twelve grandchildren; and twenty-five great-grandchildren. He was preceded in death by his wife, Ann, and son, Carl, Jr.

Visitation was held Friday, April 28, 2017, at Unger Funeral Chapel in Silverton. A funeral was held Saturday, April 29, at St. Edward's Episcopal Church in Silverton, and was followed by a reception in the parish hall. In lieu of flowers, monetary memorials may be made to Silverton High School Athletics.

# GeerCrest Farm gets grant to expand programs

ANNETTE UTZ  
SPECIAL TO THE STAYTON MAIL

GeerCrest Farm & Historical Society recently received a \$6,000 grant from the Willamette University Atkinson Graduate School of Management (AGSM) to further develop its farm-life educational programming.

GeerCrest Farm is a historic homestead established in 1847 between Silverton and Stayton.

Since 2007, the farm has offered farm life experience programs to groups and individuals to learn about growing, preserving and sharing food; the care of animals; land-based community; and land stewardship.

The organization will use the grant funds to expand programs that provide leadership opportunities for local middle and high school students in support of all currently offered programs. A new classroom will be created for traditional craft and skill instruction in wool working, basket weaving, the making of herbal medicines, and more.

"By learning about animal and land care and the use of renewable local resources produced from the land, students also learn vital self-reliance skills that connect them to our collective human history as well as that of local pioneers," said GeerCrest Farm & Historical Society Director Cayla Catino.

AGSM graduate students administered the first-year grant program as part of their own educational project. The grant program aims to impact local communities in the areas of education,

arts and culture and green technology. At the same time, graduate students learn how to administer foundation funds.

Other recipients of this year's AGSM grants include Children's Educational Theater, Historic Elsinore Theater, Family Building Blocks, Friends of Straub Environmental Center, Marion-Polk Food Share, Salem/Keizer Coalition for Equality, Salem Leadership Foundation, The Boys & Girls Club of Salem, Willamette Heritage Center and Bridgeway Recovery Services, Inc.

Following the grant disbursement ceremony on April 17, GeerCrest Farm Steward and Education Coordinator Adam McKinley said, "It was such an honor to be in the room with so many great organizations doing amazing work in the Willamette Valley."

For more information about GeerCrest Farm and upcoming events, visit [www.geercrest.org](http://www.geercrest.org).
