Ronald L. Young

SILVERTON - Ronald LeRoy Young passed peacefully at his home, surrounded by his family, on March 26, 2020, at the age of 83. His tough cowboy spirit helped him throughout his entire life, but never more so than in the last year, battling cancer. Ron was born on July 28, 1936 in St. John, Kansas, to Athel and Velma (Correll) Young. He was the oldest of two boys, followed almost four years later by his younger brother William. At the age of 18, Ron joined the US Navy, serving for four years in active duty from 1954 to 1958. He met and married his soul mate Charlene Thompson in 1969. The two made Silverton, OR their home. After raising their children, they moved to Bend for the next 23 years. They developed lifelong friendships there and returned to Silverton in 2010. Nothing was more important to Ron than his family, his country, and his love of horses. For those that never met him, he was the epitome of a cowboy – quiet, humble, strong, and a loyal friend with a heart filled with joy and love (and as bow legged as they come). He found no greater joy than being horseback with his friends, family, and faithful dog. He is proceeded in death by his wife Charlene, and survived by his five children: son Michael Griffith and partner Mark Frisk, and daughters Tami and husband Mark Ohrstrom, Julie and husband Roger Bersin, Teri Young, and Jill and husband Andy Leebrick, as well as by his nine grandchildren and 14 great-grandchildren, and his brother Bill. A celebration of life will be held at a later date. Assisting the family Unger Funeral Chapel - Silverton.

ABOUT RESTAURANT INSPECTIONS

This is a snapshot of the inspections conducted by the Marion and Polk County health departments.

Twice annually, licensed restaurants receive unannounced inspections that focus on food temperatures, food preparation practices, worker hygiene, dish-washing and sanitizing, and equipment and facility cleanliness.

Violations: Restaurant scores are based on a 100-point scale. Priority violations deduct 5 points, and priority foundation violations deduct 3 points. Violations recorded on consecutive inspections result in point deductions being doubled.

Scoring: Scores of 70 or higher are considered compliant. Restaurants scoring below 70 must be re-inspected within 30 days or face closure or other administrative action. Restaurants display a placard by the entrance to indicate whether they have passed their last inspection.
