MARION COUNTY RESTAURANT INSPECTIONS

ABOUT RESTAURANT INSPECTIONS

This is a snapshot of the inspections conducted by the Marion and Polk County health departments. Twice annually, licensed restaurants receive unannounced inspections that focus on food temperatures, food preparation practices, worker hygiene, dishwashing and sanitizing, and equipment and facility cleanliness.

Violations: Scores are based on a 100point scale. Priority violations deduct 5 points, and priority foundation violations deduct 3 points. Violations recorded on consecutive inspections result in point deductions being doubled.

Scoring: Scores of 70 or higher are considered compliant. Restaurants scoring below 70 must be re-inspected within 30 days or face closure or other administrative action. Restaurants display a placard by the entrance to indicate whether they have passed their last inspection.

At the beginning of 2022, health inspections have moved from their former website and the latest are now viewable here.
