CHRONIC RHEUMATISM POSITIVELY CURED

—BY THE USE OF—

OIL OF EDEN

—AND—

SWEET SPIRITS OF EDEN

Kell's Oil and Sweet Spirits of Eden are the most marvelous remedies of the age in the cure of chronic rheumatism. People who have been confined to their beds for years have been restored to perfect health by their use.

Read This

S. M. Martin, M. D., writes the following for the American Journal of Health of New York, and says: "Well entitled to a place among genuine specifics is Oil of Eden, offered by Dr. John L. Kellott, of Oakland, Cal., for the cure of rheumatism, neuralgia and kindred complaints. This we are willing to endorse in very distinct terms, because we have secured abundant evidence justifying us in doing so. Having referred the question of the efficacy of this remedy to medical men of extensive experience, and at the same time having thoroughly looked up the record it has made for itself among the people who have used it, we secured a mass of positive evidence in its favor."

We will give five thousand dollars to any one who can prove that any testimonial published by us is not genuine and solicited.

Oil and Sweet Spirits of Eden

I have cured thousands of people. They will cure you. Oil and Sweet Spirits of Eden are to be used in conjunction, the Oil being an external remedy and the Sweet Spirits internal. They are not cheap remedies, but inexpensive cures. \$5.00 PAYS FOR ALL. If you are tired of buying remedies that at the best only afford temporary relief, and want a cure, it awaits you.

All the leading wholesale and retail druggists everywhere sell Oil and Sweet Spirits of Eden. You simply pay \$5.00 for the cure—no more no less.

NOTE—The California Co-operative Medical Co., of Oakland positively guarantees that Oil of Eden and Sweet Spirits of Eden will cure chronic rheumatism providing the proper doses are used in conjunction. Ordinary cases of rheumatism can be cured by the use of Oil of Eden alone. The Oil sells for \$2.00 per bottle.

BARBER LAW

DECLARED INVALID
Sitting Judge M. C. George, of Portland has decided that the present barber law is unconstitutional, as it does not prescribe the qualifications of a barber but leaves it to the state board of examiners. Should the Supreme court sustain the decision, it will not be necessary for barbers to pass an examination nor procure a license to enable them to follow the occupation of barbering.

Easy Pill

Easy to take and easy to act is that famous little pill DeWitt's Little Early Risers. This is due to the fact that they touch the liver instead of purging it. They never grip nor sicken, not even the most delicate lady, and yet they are so certain in results that no one who uses them is disappointed. They cure torpid liver, constipation, biliousness, jaundice, headache, malaria and ward off pneumonia and fever.

THE SIGHT OF A FARM
has a whole lot to do with its value as an investment. If it is well drained, high healthy ground, close to a good market it is naturally worth more than low land, marshy or rocky land situated three miles from no where.
IF YOU ARE LOOKING for a farm better consult us before you buy. We know of several good farms that will suit you either as a homestead or as a money-making investment, and we have the very lowest figures they which they can be had. How big a farm are you looking for.
