# When you arrive. you are there.

The Rock Island System has an enormous advantage over other western railroads in the fact that its Chicago terminal-the La Salle Street Station-is the only railroad station on the Elevated loop.

It is located in the heart of Chicago-only a block from the Board of Trade; two blocks from the Port Office; within easy walking distance of the principal theatres, botels and stores.

The trains of all Chicago's elevated railroads pass its doors and take you quickly and for a 5-cent fare to any part of the city.

Three routes East - via Denver, Omaha and St. Paul.
