Easy Pill

Easy to take and easy to act is that famous little pill DeWitt's Little Early Risers. This is due to the fact that they tonic the liver instead of purging it. They never grip nor sicken, not even the most delicate lady, and yet they are so certain in results that no one who uses them is disappointed. They cure torpid liver, constipation, biliousness, jaundice, headache, malaria and ward off pneumonia and fever.

Last Day of Art Exhibit

The art exhibition is now a thing of the past, just a pleasant memory as it were. Those who availed themselves of the opportunity to see the work of the masters will have nothing to regret and much to cause pleasant reflections for many days, and those who did not probably will never know what they missed, and therefore will lose no sleep in vain regrets. One thing is certain the ladies who had the burden of the work to perform in order to secure for La Grande this much desired attraction are in no manner sorry that the show is over and the exhibit packed and sent on its way to the next exhibit place. Last evening was the closing night and the evening was made the occasion for the first public appearance of

the High School orchestra. The orchestra which is composed entirely of pupils of La Grande High School and will bear favorable comparison with any similar organization in the state and it is hoped that the young people will maintain their organization and continue the good work. The following is a program which they rendered so delightfully:
Cluster of Peaches Beyr
Moonlight and Roses Warren Wainwright
Chocolate Colored Baby Solman
Hiawatha Neil Moret
Grand National Medley W. S. Ripley
Another feature of the program which added much to the pleasure of the evening was the Vocal Solo which Mrs. J. J. Carr so charmingly rendered.

The Eddy Law

The law taxing corporations for doing business in Oregon, of which there are 281, commonly called the Eddy law, brought \$94,570.31 into the state treasury from May 21, 1903 to December 31, and when all the corporations have paid up the total receipts into the state treasury will be \$102,180.31. This is the law that was assailed so bitterly by the miners under the name of the Eddy law. The state has nearly \$100,000 and the miners still exist.
