It is true it is unconventional for a woman to tell a man that she loves him unless the man has persuaded her to make such confession, but is there any good reason why a woman should not take the initiative? Is she any less a woman for doing so? A shy and timid man may not know how to tell a man has hay not know how to tell a woman that he loves her. Should the woman who is of firmer faith and stronger mind stand halting and waiting for a confession that may never come? Why should she suffer in silence? By so doing may not she lose the man who loves her and also the happiness or a lifetime as weix.
