BIG BALL A FEW OBSERVATIONS SUCCESS BY OUR REPORTERS

A Good Time Was Had by Those who Attended the Maccabee Ball Last Evening.

The ball given last evening by the ladies of the Maccabee was certainly a Grand success. The hall was beautifully decorated for the occasion. The colors of the Hive were very much in evidence in the front of the hall formed of the lodge colors was beautiful tent over which was in bold letters the word 'Welcome'. Each guest was presented with a handsome souvenir. These souvenirs were the work of Miss Olson of Imbler and were all different. They were India ink drawings upon little white hearts. The ladies are to be complimented upon having so successfully arranged and carried to such a successful termination their first annual ball.

Gamblers Troubles

Pendleton, Feb. 12—There is consternation here today within the ranks of the knights of the green cloth. The reason therefor is the sudden action on the part of District Attorney Halley who yesterday caused the arrest of some thirty odd gamblers, dealers and proprietors of games in this city. Fifty four warrants were issued but only about thirty two of those for whom warrants were issued had been found up to a late hour last evening. The District Attorney states he will give the matter of making Pendleton a closed town his personal and individual attention, and all games of chance will be a matter of ancient history in Pendleton before he gets the business finished.
