## DUMMY ROWAN DOES TIME IN CITY JAIL

Gets in a Three Cornered Mix-up "Just for Fun" but the Fun Ceased to be Funny. He was the Wrong Man.

"Dummy" Rowan, one of the prize fighters who have been in the city for several days and a brother to "Silent" Rowan, who was knocked out by Andy King Saturday night, spent Sunday night and part of yesterday in the city jail in company with Frank Silke. Silke is still indignant over a charge of a salt and battery, and "Dummy" was released yesterday.

The story of the arrests is told by Marshal Rayburn as follows: Sunday morning Silke and Rowan entered Lotus's saloon, Silke being intoxicated. John Keller was in the saloon at the time and Silke is said to have accosted him with some very uncomplimentary names. Keller claims that he protested against this indignity in a gentlemanly manner. The deaf and dumb pugilist seeing them "obeying the rag," as he expressed it, and supposing them to be in fun, sparred at Keller several times, also in fun. Keller sparred back, when Silke struck Keller, knocking him down. He is said by Keller to have then jumped on him hitting him and stamping him until he was unconscious. Dr. Richardson was called to attend the wounded man, who is said to be quite badly injured. He was unable to tell his side of the story until yesterday when he untirely extorted Rowan, who was released.

## RECEIVES REPLY.

Russia Anxious to Maintain the Neutrality of China and Confine Hostilities to Possible Limits.

St. Petersburg, Feb. 20.—Russian's reply to Secretary Hay's note on China was handed to Ambassador McCormick today.

The reply was given to Mr McCormick by Foreign Minister Lamadoff, and was promptly dispatched to Washington. It is known that the term of the reply are along the lines previously indicated, being a virtual acceptance in principle, with the exception of Manchuria, which is now the theater of war, and where Russia's special interests lie. The Foreign Office explains that Russia is as solicitous as the other powers that the neutrality of China shall not be broken, and the area of hostilities be confined to the narrowest limits.
