We're picturesque, but they lacked the convenience of modern dwellings. A family in very moderate circumstances can get really a better home today than that of the wealthy a century ago.

Our homes which we are waiting to show you, contain every possible convenience and are models of comfort. When you learn how easy it is to own one, you will wonder why you ever paid rent.

You don't have to hire a Cab

The La Salle Street Station in Chicago, which is used by the trains of the Rock Island System, is located in the very heart of the city, less than a block from the Board of Trade; less than two blocks from the Post Office; within easy walking distance of the principal hotels, theatres and stores.

You don't have to hire a cab to reach them. The "union loop" is right in front of the station. Pay 2 cents, get aboard the elevated, and you are whisked to any part of town you wish to reach.

Let us give you other reasons why you should use the Rock Island System. There are lots of them.
