Less than Cost!

I have a few odd patterns of dishes that I am closing out at greatly reduced prices, to make room for new stock.

Now is the time to purchase. Notice the prices in our window.

Grande Ronde Valley Fruit Farm

The Grande Roude valley fruit farm contains 320 ac es, and is to be sold in los of of ten lots and an lup, to suit the purchase. It is situated eight milles north-east of La Grande, Oregon, near the Eigin branch of the O. R. & N.

orchard, one that has been cared for manner, cultivating the land six or eight times a year, keeping the ground well pulverized, and at all times free from weeds, grass and other vegetation May 1st and August 15th of each year; keeping the trees proped in the most scientific manner; removing and burning all cuttings and suckers, and in short, do any and all work which will be for the best interest of the trees. We replant all trees that may die in the first, second and third years, and pay all taxes for three years. We furnish the land, labor and material, and trees, and three years' care, at the price of Sumpter \$135 per acre, giving three years in which to pay for it.

Our terms of payment are 55 per cent of purchase price, cash; balance in Milwaukee three yearly payments, bearing interest at the rates of 6 per cent per annum.

The purchaser can remain where he is, make no immediate c.__age in his business or home interests, making his present business pay for his investment sacrificing no time while the orchard being brought into bearing conditiand rest seemed that skilled hortical Lincoln turalists will do the work bester the Pearsin Iowa he can unless he has had horticultur experience under conditions existing Oregon. After trees have had scientiff care, pruning and shaping for threyears, the subsequent work is memore methodical and can be success fully done by those without hortic-
