A JACK THE RIPPER

An "Old Timer" writes to the Flora Journal as follows: "Only a few days ago it was reported that the Barnes Bros., of Paradise, had a couple of young cows shot, then ripped open. This adds another crime to the list in this neighborhood. Within the last two or three years there has been a number of sheep shot and killed by parties that live not far from Paradise; also cattle and horses not a few. It is about time the officers of Wallows county sent a few of these parties over the road to learn them something besides kill and cripple. And if it is not done—who can blame Judge Lynch, of Missouri, if he holds court and does business according to the old code."

Self Denial Week

The Salvation Army announces its annual Week of Prayer and Self Denial, to take place March 27 to April 3, and though daily practicing self denial, these members agree during this special week, to do without all luxuries, and even some of the necessities of life, in order to help swell the fund in aid of the home and foreign missionary work of the organization.

Our readers will be urgently appealed to by the Officers and Soldiers of the Army locally to assist in this effort, and again we advise those who are not in the habit of denying themselves to do so at this time and prove with the Salvationists that "It is more blessed to give than to receive."

Nutmeg Match

"A Nutmeg Match" will be presented under the auspices of the La Grande Cornet band at Steward's opera house Monday evening April 4. The play will be managed by a man experienced in such work and she leading parts will be played by experienced actors. It is said by the press of cities where it has been played to be an exceptionally meritorious play. In Boise, Idaho, it attracted large crowds for 14 consecutive nights. Secure your tickets early and help the band at the same time witness one of the best plays put on the stage in La Grande this season.
