OS-TE-OP-A-THY

When Osteopathy proves that acidity of the stomach, for instance, is caused by a congestion at spinal nerve centers—a mechanical obstruction to nervous energy and blood flow—where is the justification to try to remove this fault by a chemical agency? Will drugs repair a watch or steam engine? Why, then, expect it in the human machine?

The World's Fair Route

Those anticipating an Eastern trip, or a visit to the Louisiana Purchase exposition at St. Louis, cannot afford to overlook the advantages offered by the Missouri Pacific Railway, which, on account of its various routes and gate ways, has been appropriately named "The World's Fair Route."

Passengers from the Northwest take the Missouri Pacific trains from Denver or Pueblo with the choice of either going direct through the Kansas City, via Wichita, Fort Scott and Pleasant Hill.

Two trains daily from Denver and Pueblo to St. Louis without change, carrying all classes of modern equipment, including electric lighted observation parlor cafe dining cars. Ten daily trains between Kansas City and St. Louis.

Write, or call on W. C. McBride, General Agent, 124 Third st, Portland for detailed information and illustrated literature.

A quiet little lunch or dinner in a well appointed dining room, where the food is excellent and well served, will be a treat for the nicest girl in the world or a pleasant change for your wife.

The Model Restaurant is just the place to bring the ladies. Everything comes up to their idea of what is good and the cost won't bother the man who pays the check.
