Ladies Cleared \$40

It seems that at the time the Ladies Clubs of La Grande gave an Art Exhibit the impression got out in some manner that it was a financial failure. On the contrary the ladies netted the neat little sum of \$40 besides giving the people of La Grande an opportunity of seeing a display of high grade art.

The ladies invested the proceeds of that exhibit in high grade pictures part of which will be hung in the public schools. Suitable frames will be placed on these pictures and to help defray the expense of framing them the ladies will hold a "Loan Exhibit" at the home of W. M. Ramsey on the afternoons and evenings of April 20 and 21. On this occasion many rare old relics will be on exhibit as well as the pictures themselves.
