PLENTY OF SHOE COMFORT

My Lady's Jewels
Certainly add to her attractiveness. The poet who wrote that "Heavy adorned is adorned the most" probably had no dollars. He certainly showed little sense. And if his lady love had seen my display of

Dainty Brooches

She would not have believed him. For a woman naturally loves to adorn herself. No one can blame her after they visit my store. Such beautiful things at so moderate a cost were never seen before. There are things for men too. Just come in and see how much more I could have said about them.

Grande Ronde is now one of the leading fruit sections of the state, especially for winter apples, but the fact remains that we have just started. We have passed through the experimental years necessary to form correct judgement as to the proper varieties suitable to this section and other useful knowledge. Thousands of young trees are out each year and the young orchards now just coming into bearing will double the present output within the next few years.

The city supply of water is now being furnished from Mill creek and it would be revelation to many if they would visit Mill creek and note the small quantity of water that is sufficient to provide the needs of the city at this time of the year. Of course during the irrigation season the demands are much greater. A V-shaped trough is now used and the water now required measures only four inches. It has to be seen to be realized.

The two laws to be voted for at the general election, the primary nomination and the local option law, will be carried by large majorities if the carelessness of those who favor these reforms does not cause them to neglect to vote for them, as they will appear on the bottom of the ticket.

Read the Observer ads. They are put there to be read and everyone of them contains a business proposition to you. You can more than save the price of a month's subscription to the Observer every day by reading the advertisements in each issue.

It is better to smile than to frown. It does not require any more mental effort, any more physical effort or any more time, and the whole family would rather see it.

There is so much that can be said in favor of La Grande and Union county that it seems foolish to hunt something disagreeable to say and keep harping away about something which does not altogether please us. It is evidence of a disordered liver to be continually and for ever kicking when there is so much which should please.

There are many citizens in this city and county who have not taken trouble to register. The books are closed May 15th you will find it much easier to register now than to find six witnesses who are householders on the day of election.

There has been considerable improvement in the sidewalks of Old Town, but there is still room for more new plank. This is same is also true of the new town. Fix up the place before the spring fever overtakes you.

Just one more month of public school and many of the pupils are beginning to count the days, one by one, and the graduating class have already commenced to collect their thoughts for their orations.

Have a pleasant look for the stranger. He has nothing against you and you may meet him again some time when you are out of matches and want to smoke.

McDonald for joint senator; Mr. Dobbins, from Joseph, for joint representative; and Mr Lomax, of Union, for prosecuting attorney are all acceptable and worthy men — Joseph Herald

The Socialists party in Umatilla county nominated candidates for the legislature only, leaving the balance of the ticket blank.

Recorder Wm Miller, Justice Grant and Notary Public W. H. Stoner can register you, or any Notary which has the proper blanks.

The washout in the Burnt river country has been expensive to the O. R. & N. Co., they now have about 200 men at work making repairs.

Talk About Eyes

It is sometimes necessary to a limited extent but talk and ready made glasses will not remedy defects. An examination to scientifically determine the cause and a pair of glasses made to fit is the procedure that gives permanent relief and that's what Dr C D Pons, the Eye specialist of Salt Lake City does, will be at the Rainbow Store in La Grande, April 21-25 consultation free. Dr Pons is no stranger here he makes regular trips. 3-22-25

Four of a kind—is a pretty good hand at cards. But at the banker's risk the hand that counts, not the four. We keep only one kind of meat, the kind that's fresh, healthy, tender and juicy. Buy your steaks and chops here, and you'll always be right. Our stock is well fed and properly cared for. Cause plenty our meat has a delicious flavor.

Early Risers

THE FAMOUS LITTLE PILLS.

For quick relief from Biliousness, Sick Headache, Torpid Liver, Jaundice, Dizziness, and all troubles arising from an inactive or sluggish liver, DeWitt's Little Early Risers are unequalled.

They act promptly and never gripe. They are so dainty that it is a pleasure to take them. One to two act as a mild laxative; two or four act as a pleasant and effective cathartic. They are purely vegetable and absolutely harmless. They tonify the liver.
