Nearly all of the saw mills in his county have commenced on time on the mountains will be pany. filled with loggers and in the northern portion of the county the domand for teams will exceed the demands of any previous season. Our lumber industry furnishes labor for hundreds of men.

It really begins to look now that the democrats will be compelled to resort to the use of the want ad department in their leading papers in the hopes of finding a suitable candidate to head their ticket. Hearst possibly had this in view prior to the establishing of several of his recent papers.

Mr. Bryan did not do a thing o the New York platform adopted by the democrats. As it was merely a jungle of words with no definite policy on any national issue, a great majority of the party whether they say so or not are with Mr. Bryan for ouce.
