HOUSE FURNISHINGS

HOUSE RENT Is an expense which is reliabled only by the landlord. It certainly is not a pleasure to know that all you have for years of re-t paying is a bundle of re-reints.

WHY DON'T YOU STOP

Paying rent? If you have or can get a little money we are all you a house. The money you have easy for rent will go a long way toward paying off the ballance. You act as your own landlerd and pay the money to yourself. Don't you think you ought to look into such an opportunity?
