DR. BIGGERS RETURNS HOME

Dr G. W. Biggers, who left this city March 24, for a trip through Southern California and Arizona, returned Sunday morning. He reports having had a most enjoyable trip and returns much improved in health and spirits. In fact the climate has so well agreed

him that he has gained fifteen pounds in weight since the beginning of his travels. He spent several days in Francisco, and from there he went to Los Angeles where he met old Eastern Oregon friends and to the pleasure of visiting several whom he had not met for over years. His visit at Phoenix, Arizona was most interesting though he was the weather rather tropical as he registered 102 in the

doctor was very much impressed by the beauties and natural advantages of Los Angeles. He says "I regret Los Angeles the most desirable on earth in which to live, and that for the man who has a good fortune, the Grande valley is the only spot on the globe." The Dr. met with an accident in Portland whereby he sprained his ankle and is compelled to quit his practice. This comes very sudden as this is the first time in his sixty years of his residence in the north he has been laid up. He says how back in La Grande for the first time he has thoroughly recovered and will resume active practice and the balance of his days here.

How Can I Cure My INDIGESTION?

IS A QUESTION THAT HAS BEEN KNOWN FOR TIME AND AGAIN. IT NEEDS no hundreds and tens of thousands of people to prove but one way to do this; namely, relieve the stomach of its nervous strain—rest it; and meantime assist the stomach and digestive organs in Digesting and Assimulating Food to Rebuild the Tissues Supportive to Organs Involved. There is but one net that will do this, and that remedy is EDL DYSPEPSIA CURE. If you want to know more about Kodol, come in and
