TARIFF ON OUR WHEAT.

People, who think the Congress of the United States could if they wanted to and should if they could abolish all tariffs and proclaim universal free trades.

A bushel of wheat from Grande Ronde valley can enter the market of France without paying a tariff of 36 cents and 8 mills. France purchases a great many bushels of wheat from the United States.

The German tariff on a bushel of wheat is 33 cents and 3 mills. For nine months ending with March 1904 there were exported to Germany 7,026,827 bushels of wheat from the United States valued at the port at export at \$5,580,940. The Tariff on this wheat was \$2,339,933.

Peter McDonald, as candidate for joint senator and J. H. Dobbin as candidate for joint representative will make a strong team in the Oregon legislature.

Leroy Lomax, the republican

candidate for district attorney has made a very favorable impression upon the voters of Wallowa county as a man of sterling worth and integrity and a man of eminent standing in the legal profession.

The Elgin Recorder is correct in stating the question of the relocation of the county seat is purely a matter of business with the voters of the North end of the county.

The county seat proposition is purely a business question with the voters in this end of the county. We have no personal interest in either of the towns contesting for that honor.

Every man has a right to say who shall represent him at his county convention. The direct primary law will give them that opportunity.

All eyes may be turned toward St. Louis, as The Globe-Democrat says, but it is equally true that St. Louis has all her eyes on the size of the wad of her visitors.

The city marshal of Union collected license on fifty dogs last month when business gets slack across the valley that officer would find a well stocked range in this city.

It is coming down to the situation that a mandamus will have to be sued out to compel an acceptance of a Vice Presidential nomination?

The city council of Union has introduced an ordinance prohibiting farmers from peddling meat in the city.

Ajax defying the lightning isn't anything to Mr. Herrat's defying the money power with a bigger bar'l.

Jay Dobbin is a man of affairs, and just the honest kind of fellow for a legislator.—Wallowa News.

The question of who will be the regulars if Bryan should bolt is becoming acute.

An exhibit of pocketbooks at St. Louis is expected from all visitors.
