THE FAMOUS LITTLE PILLS.

For guick relief from Billousness, dice. Dissiness, and all troubles arising from an inactive or sluggish liver, DeWitt's Little Early Risers are unequalled.
They act promptly and never gripe.

They are so dainty that it is a pleasure to take them. One to two act as a mild latative; two or four act as a pleasant and effective cathartic. They are purely vegetable and absoluted harmless. They tonic the liver.
