## LOCAL ITEMS OF INTEREST

Concerning People Who Come And go and Other Items of Local Interest.

Remember the mass meeting to night.

Arrange to attend the mass meeting to night.

Miss Mabel Williams arrived in the city Saturday evening. She will remain a month or six weeks visiting friends.

Mrs J. M. Blair, who for the past month has been in the Pendleton hospital receiving treatment returned home last Saturday. Her many friends will be pleased to know that she has completely recovered.

Mrs T. M. Stubblefield and three children came down from Huntington Saturday night to join Mr Stubblefield, who has opened an exclusive boot and shoe store just south of J. M. Berry's store.

In printing the various tickets of the various parties our idea was to include all the candidates and to have made the same complete the name of William Grant, independent candidate for justice of the peace for La Grande precinct, should have been included.

Judge H. E. Courtney, of Baker City, accompanied by the Socialist candidates, will speak at Union Monday night, Cove Tuesday night, Summerville Wednesday night, Elgin Thursday night, Hilgard Friday night, and La Grande Saturday night of this week.

In printing the Prohibition ticket last week, we, by an error failed to print the name of Hon J. W. McAllister who is a candidate for the office of joint senator for this and Walla Walla county. This omission was a mistake on our part and not intentional.

In tomorrow's issue we will have a carefully prepared article showing the value from a market standpoint of the products grown on the farm that is consumed in the city of La Grande each year and is increasing as our population grows. The figures will be surprising to not a few but they are correct.

Water Superintendent Gillman has a force of men at work cleaning out the reservoir and the city well. This is a good move and one which will meet with the approval of the water consumers. By commencing now to clean the water system there will be less difficulty in keeping the water in a good condition during the warm months.
