La Grande Precinct.

Recorder Proctor was in the city yesterday. There is no question but what he will receive his full party vote not only in La Grande but throughout the county.

Republicans are jubilant all over the county. There is not a discord anywhere and the

commitment of the various precincts all send in encouraging reports. There is going to be a republican landslide in Union county this year.

If you believe that president Roosevelt's administration is a safe and progressive one, and who is there that does not, show your appreciation of the same by returning congressman Williamson with the largest majority that any congressman has ever received in this district. That is the way to show your appreciation of the administration.

When casting your eagle eye over your big ballot next Monday you will find the name of Ben Brown, the first man to make a permanent settlement in Grande Ronde Valley and as we all know has been no small factor in developing not only this county but all Eastern Oregon. He has served the people faithfully in the past and will do so again. Vote for "Uncle Ben."

When you cast your vote next Monday do not forget John E. Hough is the regular candidate on the republican ticket for the office of Justice of the Peace for the La Grande precinct. Mr. Hough needs no introduction to the voters of this city as he has been closely identified with the business interests of this place for a number of years. There is no question but that he will well and faithfully serve the people if he is elected.

The public school is the one safe guard of the nation. Therefore the selection of county school superintendent is of vast importance to the citizens of this county. In presenting Mr. Robert Wilkinson the Republican nominee for this office we are able to state that it is our honest belief that the public schools of this county will be well governed should he be elected. Mr. Wilkinson has been a resident of this valley for a number of years during which time he has ever been found a worthy worker for the cause of education. For the past nine years he has taught the Fruitdale school during which time he has made many friends among the parents of the school as well as among the pupils. Nine years in one district is a record few can show. The voters of this county can make no mistake in voting for Robert Wilkinson for county superintendent of schools.

J. W. Waldan the Republican nominee for sheriff is well known to the citizens of this county. He has been a servant of the people a number of years during which time he has arrested many bad men and ran down many criminals. When John starts after a man it is almost a sure thing that he will return with his man. Few if any get away from him. He is of that peculiar temperment best adapted to the making of a good officer. It requires no gun play on his part. There is that about his general make up which causes the would be bad men to simply wilt and throw up his hands and come along. He has through and accurate knowledge of the legal responsibilities of the office and the citizens of this county will have no cause to regret their action should they elect him.

My Lady's Jewels

Certainly add to her attractiveness. The poet who wrote that "Beauty adorned is adorned the most" probably had no dollars. He certainly showed little sense. And if his lady loved to see my display of

Dainty Broaches

She would not have believed him. For a woman naturally loves to adorn herself. No one can blame her after they visit my store. Such beautiful things at so moderate a cost were never seen before. There are things for men too. Just come in and see how much more I could have said about them.

Four of a kind—is a pretty good hand at cards. But at the butcher's it is the kind that counts, not the four. We keep only one kind of meat, the kind that's fresh, healthy, tender and juicy.

Buy your steaks and chops here, and they'll always be right. Our stock is selected and properly cared for. Consequently our meat has a delicious flavor.
