Let every friend of La Grande do his duty Monday and see that every legal vote in these four precincts are polled.

Any person who has not registered or may know of any one who has not will please inform William Miller.

Remember in marking your ballot next Monday mark an X

between the name and the number of the candidate you desire to vote for.

The campaign is over. Politically this has been the cleanest campaign ever waged in Union county. The candidates irrespective of party have pushed their own interests but in doing so, have not stooped to personalities.

Union has no regard for the truth when it comes to talking count seat. They have made the statement that contractor Mars who has the contract for the construction of the City Hall foundation, was not under bond to complete the work. This is not true. Mr. Mars is under a good and sufficient bond to have his work completed within forty days from the time he commenced the work.

Let every one in this city do his duty Monday. There are 1200 registered voters and quite a number who have not registered. See that these all vote.

For the past few weeks La Grande citizens have been considering the advisability of adding a twelfth grade to our public school. The students want it; the needs of the town demand it. The prevailing sentiment is, as it should be, in favor of having it. Having a four years course in our high school would advance directly or indirectly, the interests of every person engaged in a legitimate business in La Grande or vicinity. The fact that our school would be complete, would bring the best class of people into our town, and keep them here. Any citizen of La Grande will contend that we are just as progressive as the people Union, Pendleton and Baker City, yet these towns have four year high schools and students are fitted in the senior year to enter the University of Oregon. La Grande graduates must spend at least one year in preparation before they take up work as freshmen in the University. If a twelfth grade is added, it will cause some to go to college when they would not have done so otherwise. For with the advanced work of this year comes the desire for more knowledge, and the inspiration to higher endeavor.

The twelfth grade is of great benefit to any student, whether he intends to go to college or to learn a trade. For the greater length of time which he spends in the high school gives him the opportunity to "brush up" in the studies which he has neglected for the less important but, more difficult higher branches. Business men complain, saying that few of our graduates can add, and that none of them can spell. One more year of work in the high school will make it possible for each and every pupil to thoroughly review Spelling and Arithmetic.

As may easily be seen, a twelfth grade would cost far less than it would bring the town in return. In a very short time our standard of education would be raised perceptibly. Then since there is every reason for and none against it; why not have a twelfth grade? Let the Board of directors know that you are in favor of it, request them to add it, and you will have done that which will benefit your children, yourselves, and the community at large.

Early Risers

THE FAMOUS LITTLE PILLS.

For quick relief from Biliousness, Sick Headache, Torpid Liver, Jaundice, Dizziness, and all troubles arising from an inactive or sluggish liver, DeWitt's Little Early Risers are unequalled.

They act promptly and never gripe. They are so dainty that it is a pleasure to take them. One to two act as a mild laxative; two or four act as a pleasant and effective cathartic. They are purely vegetable and absolutely harmless. They tonify the liver.

My Lady's Jewels. Certainly add to her attractiveness. The poet who wrote that "heavy an adorned is adorned the most" probably had no dollars. He certainly showed little sense. And if his lady love has seen my display of

Dainty Broaches. She would not have believed him. For a woman naturally loves to adorn herself. No one can blame her after they visit my store. Such beautiful things at so moderate a cost were never before. There are things for me too. Just come in and see how much more I could have said about them.

Four of a kind—is a pretty good hand at cards. But at the butcher's it's the kind that counts, not the four. We keep only one kind of meat, the kind that's fresh, healthy, tender and juicy.

Buy your steaks and chops here, and they'll always be right. Our stock is well-fed and properly cared for. Consequently our meat has a delicious flavor.
