

Half a Carload of New Wall Paper.

We have just received half a car load of the newest and latest wall paper. Half a carload means 20,000 rolls. This is more paper than any one firm ever thought of bringing into this county in a single season.

This paper is all for sale and must be sold this season. We have brought two first class paper hangers direct from Chicago, who are without doubt the most skillful workmen in Eastern Oregon, with the five first class paper hangers already in our employ, gives us the best working force in the Inland Empire.
