FRIDAY EVENING JUNE 10, 1904

VOTE OF CONFIDENCE

The record of the republican party, since its accession to power in 1860, appealed so forcefully to the good sense and patriotism of the voters of Oregon on last Monday that every county in Oregon lines up in a solid column for the republican party.

The people of Union county can rest assured that they will be able to see a Fourth of July celebration this year at La Grande which will put everything else in the line of celebrations in the shade.

A wonderful record. Every county in the state Republican.

La Grande imports twelve tons of dried fruit every month. Think of this and consider our vast orchards and the vast quantity of fruit which is allowed to perish here every year.

After months of speculation the democrats seem to have made little progress towards uniting upon any presidential candidate.

The last election resulted in many surprises. Judge Boise who for years has been on the bench in the Willamette Valley was defeated, likewise Judge Clifford, Col., Raley of Pendleton, for prosecuting attorney, likewise Capt Sam White.

The vote throughout the county on the county seat question, outside of La Grande and Union was three to one in favor of La Grande.

If you know of any manufacturing enterprise which could be secured for La Grande make it known to the Commercial Club. La Grande is open for engagements.

Union county is republican by at least 400 on national issues, and Roosevelt will carry the county by 600 in November. Remember this latter figure.

There will be plenty of time between now and the next election for us all to make ourselves acquainted with the new direct primary law.

NO PITY SHOWN.
