

Half a Carload of New Wall Paper.

We have just received half a car load of the newest and latest wall paper. Half a carload means 20,000 rolls. This is more paper than any one firm ever thought of bringing into this county in a single season.

This paper is all for sale and must be sold this season. We have brought two first class paper hangers direct from Chicago, who are without doubt the most skillful workmen in Eastern Oregon, with the five first class paper hangers already in our employ, giving the best working force in the inland Empire.

UNION WILL NOT GIVE UP THE FIGHT

Abe Eaton Says the Vote Was Brought About by Dishonest Methods, It Not to Say Bribery.

The following is taken from an interview of Abe Eaton of Union published in the Baker City Democrat Sunday morning.

"La Grande has not got the county seat yet, has it? For twenty-seven years I have fought against the removal of the county seat from Union to La Grande, and I am ready to fight still. We have our rights in the courts and we have a score of good reasons why the supreme court will sustain

Union in its rights. "No, you may be sure, Union is not going to give up the fight without further effort. The vote in favor of La Grande last Monday was brought about by dishonest methods, if not to say bribery, and it can be proven. All sorts of misrepresentation was indulged in and the voters in many localities were hoodwinked. Union will retain the county seat, this you may depend upon.
