Congratulations.
Mr. John H. Callow, Editor of the Garland, Texas, News, has written a letter of congratulations to the manufacturer of Chamberlain's Cough Remedy, as follows: "Sixteen years ago when our first child was a baby he was subject to croupy spells and we would be very uneasy about him. We began using Chamberlain's Cough Remedy in 1887, and finding it such a reliable remedy for colds and croup we have never been without it in the house since that time. We have five children and have given it to all of them with good results." For sale by all druggists.

CURES OLD SORES
Westmoreland, Kans. May 5 1904.
Ballard Snow Lintment Co. - Dear Sir: I am glad to see an advertisement of your Snow Lintment in your paper. I have used it for many years and it has cured me of a sore on the side of my chin that was supposed to be a cancer. The sore was stubborn and would not yield to treatment, until I tried Snow Lintment, which did the work in short order. My sister, Mrs. Sophia J. Carson, Allensville, Miss. Co., Pa., has a sore and mistrusts that it is a cancer. Please send her a 50c bottle. Sold by Newlin Drug Co.

HARD WALL PLASTER
Only costs about 5c per yard more than common plaster, and worth many times over.
ADVANTAGES
No danger of freezing as it can be used in zero weather. Being flexible instead of brittle—as all sand mortars are—it will dent like wood when struck or jammed, instead of breaking. Doors, windows, pipe holes, etc. are easily cut through it. It is a non-conductor of electricity and thus prevents short circuiting. It adheres equally well to brick, stone or common lath. It contains no acids nor chemicals to corrode. It will not burn nor disintegrate by fire being a perfect protection for wood frame work. It will under no condition pit or blister.
Parties having plastering to do should consult me regarding this class of work. Estimates cheerfully given.
