### General Row

There was considerable excitement his afternoon on the e reus ground caused by two young men and severa Japs getting into a general mix up Is seems that the white men and Japs got into some difficulty a Jap was struck on the head with a rock. The white men then ran away and the Japs following, Marshal Rayburn then entered the race on a horse and caught the young fellows and landed chem in jul pending an inves, igation in the police court.

### For More Grades

Residents across the track are ciculating a petition which they wilpresent to the school board, ask ng that at least six grades be taught in the "Little Brick" as that sch- o known This petition should be granted, as heretofore only two gradhave been taught there. The pertier of the town across the track is entitled to better school privileges.
