

Half a Carload of New Wall Paper.

We have just received half a carload of the newest and latest wall paper. Half a carload means 20,000 rolls. This is more paper than any one firm ever thought of bringing into this county in a single season.

This paper is all for sale and must be sold this season. We have brought two first class paper hangers direct from Chicago, who are without doubt the most skillful workmen in Eastern Oregon, with the five first class paper hangers already in our employ, give us the best working force in the inland Empire.

Childrens Day

Childrens Day was observed by both Methodist and Presbyterian Sunday Schools Sunday evening. In each instance very interesting programs were rendered to crowded congregations who were well repaid.

School Election

Our school election for the election of one director for five years is now in progress at the High School building.

The polls opened at one o'clock and will not close until 6 o'clock and the nominees are David Bay, whose term has just expired and Mrs Shilke, who for a number of years has taught in our school until recently. So it will be seen that in either event LaGrande will have an experienced director.

The election is no feeling manifest as up to 3 o'clock this afternoon only 30 votes had been polled.
