Dalles Election

The Dalles, June 22.—It was generally conceded yesterday, before the polls closed that the Senfert vote was largely ahead of the Gunning one; but the people were not expecting such an overwhelming victory for the Independent ticket. This emphasizes the fact that an element hitherto dormant in city affairs will take an active part. In the general election local option was defeated in this city by over 200 votes, and this shows that very many who are opposed to the initiative measure are in favor of having the laws, now on our statute books, strictly enforced.

Work Resumed

Victor, Colo., June 22.—The Portland mine resumed this morning with non-union men. A commission appointed by the military and mine owners' association was at the mine to pass upon the eligibility of the men and unionists were barred from the property.

A dose of Ballard's Horehound Syrup will relieve it. Have you a cold? A dose of Horehound at bed time and frequent small doses of Horehound Syrup during the day will remove it. Try it for whooping cough, for asthma, for consumption, for bronchitis. Special Excursion to the World's Fair.

The Denver and Rio Grande, in connection with the Missouri Pacific, will run a series of personally conducted excursions to the World's fair during June. These excursions will run through to St. Louis without change of cars, making short stops at principal points enroute. The first of these excursions will leave Portland June 7, and the second June 17. The rate from La Grande will be \$20 to St. Louis and return. Excursionists going via the Denver & Rio Grande have the privilege of returning by a different route, as well as the most delightful route to cross the continent. The stops arranged give an opportunity of visiting in and about Kansas City. If you wish to accompany one of these excursions write at once to W O Mc Bride, 124 Third street, Portland, for Sleeping car reservations.

You don't have to hire a Cab

The La Salle Street Station in Chicago, which is used by the trains of the Rock Island System, is located in the very heart of the city, less than a block from the Board of Trade; less than two blocks from the Post Office; within easy walking distance of the principal hotels, theatres and stores.

You don't have to hire a cab to reach them. The "union loop" is right in front of the station. Pay 5 cents, get aboard the elevator, and you are whisked to any part of town you wish to reach. Let me give you short names why you should use the Rock Island System. There are lots of them.

HARD WALL PLASTER

Only costs about 5c per yard more than common plaster, and worth many times over.

ADVANTAGES

No danger of freezing as it can be used in zero weather. Being flexible instead of brittle—as all sand mortars are—it will dent like wood when struck or jammed, instead of breaking. Doors, windows, pipe holes, etc are easily cut through it. It is a non conductor of electricity and thus prevents short circuiting. It adheres equally well to brick, stone or common lath. It contains no acids nor chemicals to corrode. It will not burn nor disintegrate by fire being a perfect protection for wood frame work. It will under no condition pit or blister.

Parties having plastering to do should consult me regarding this class of work. Estimates cheerfully given.

WAS GIVEN UP TO DIE.

B. Spiegel, 1204 N. Virginia St., Evansville, Ind., writes: "For over five years I was troubled with kidney and bladder affections which caused me much pain and worry. I lost flesh and was all run down, and a year ago had to abandon work entirely. I had three of the best physicians who did me no good and I was practically given up to die. Foley's Kidney Cure was recommended and the first bottle gave me great relief, and after taking the second bottle I was entirely cured."

My Lady's Jewels

Certainly add to her attractiveness. The poet who wrote that "Beauty unadorned is adorned the most" probably had no dollars. He certainly showed little sense. And if his lady love had seen my display of—

Dainty Brooches

She would not have believed him. For a woman naturally loves to adorn herself. No one can blame her after they visit my store. Such beautiful things at so moderate a cost were never seen before. There are things for men too. Just come in and see how much more I could have said about them.
