We have brought two first class paper hangers direct from Chicago, who are without doubt the most skillful workmen in Eastern Idaho, with the five first class paper hangers already in our employ, give us the best working force in the inland Empire.

For Hearst.

Duluth Minn. June 23—The Hearst forces captured the temporary organization state democratic convention for the selection of national convention delegates today. The anti-Hearst men secured three of the four delegates at large and will get an even break on the district delegates.

For Bryan.

Freemont O., June—The resolution introduced by ex-Senator William V. Allen, as the Populist state convention last night is generally admitted to favor fusion with the Democratic National ticket should William J. Bryan secure control of the St. Louis convention. It demands a straight Populist ticket however, in case the anti-Bryan wing is victorious.

The delegates to the National Populist convention to elect that ex-Senator Allen will be chosen as the candidate for President. He declines to express an opinion.

Please Return It.

If the party who took the garden hose from my place will please return to the lawn where he got it he will confer a great favor upon me. I would like to wet down again and in fact have use for the hose for the next few days. I have a good idea where it is and do not wish to call for it, as my call might cause serious trouble. Better bring it home.

Jack Kerr.

Chinese Band

One of the attractions in the Fourth of July parade will be the Chinese band including 35 richly dressed Chinese, an ideal representation of Chinese gaiety. The committee considers themselves very fortunate in securing this attraction.

Our Brave Boys in Blue

Captain Coledge of Company L, Third Infantry, Oregon National Guard on yesterday had transferred from the first depot to the armory a mile and a half Army Range.

This Range is a wonder to behold to the uninitiated. It takes an expert to learn the combination so it can be opened. It takes as long to get things out of the range, as it does to put them in, there is no doubt but that the food of the gallant soldiers of Company L will be well cooked.

The company will leave here about the 6th of July for the Encampment at American Lake, Washington, where they will participate in the maneuvers of the Department of the Columbia in the militia of Oregon, Washington and Idaho.

The first and second Battalions of the Fourth Infantry will leave the Presidio July 1st for Forts Lawton and Wright and will stop enroute to assist in these demonstrations.

Correction.
