FREE RURAL DELIVERY.

When the Republican party came into power in 1861 there was no such thing known in our postal service as free delivery either in cities or in country districts.

The heroic acts done in connection with the Slocum disaster only emphasize the demand that the necessity for them shall be avoided by right inspection and due care.

If Mr. Cleveland could be convinced of the existence of good bass fishing in the Mississippi, he might take a turn out there next month.

"Is the Vice President important to the Democratic party?" asks Adlai Stevenson, of Illinois.

Hungary can not be more willing to restrict emigration than the United States to restrict Hungarian immigration.

General Sherman Bell, of Colorado, says he isn't a lawyer.

The fact that Indian Territory has instructed for Parker doesn't operate against the Bryan determination to have his scalp.

The Mayors of Cleveland and of Chicago unanimously prefer that it should be a long time between conventions.

The Creamery

The combined churn and worker belonging to the Grande Route Creamery Company, which has been at the freight depot for three months awaiting the completion of the company's new buildings on E M Street, was removed yesterday, and is now ready for installation in the plant.

Mr O E Harper, the president of the company informs us that he calculates having the machinery in the first of September and will at that time be ready for work.

La Grande will be the headquarters for the creamery, and the ranchers in the surrounding country will be able to drop their milk cans at the creamery at any time necessary for their own convenience.

NIGHT WAS HER TERROR.

"I would cough nearly all night long," writes Mrs Chas Aplegate, of Alexandria, Ind., "and could hardly get any sleep. I had consumption so bad that if I walked a block I would cough frightfully and spit blood, but when all other medicines failed, three \$1.00 bottles of Dr King's New Discovery wholly cured me and I gained 58 pounds." It's absolutely guaranteed to cure Coughs, Colds, La Grippe, Bronchitis and all Throat and Lung troubles. Price 50c and \$1.00. Trial bottles free at Newlin Drug Co.

FOR SALE—A complete threshing outfit inquire of Jud Draper at the Andross Ranch.

rural free delivery impracticable but when he retired and a Republican took his place at the commencement of McKinley's first administration, a more progressive idea prevailed, and it was resolved to accommodate country people as well as city folks.

To come closer home to observe what benefits a Republican idea effectuated by Republican energy and vigor has done for the people in this mountain valley in their new homes, we find in Union county five rural free delivery routes now in operation; is, two from La Grande, one from Alice, one from Summerville and one from the Elgin.

Congratulations.

Mr John H Cullom, Editor of the Garland, Texas, News, has written a letter of congratulations to the manufacturer of Chamberlain's Cough Remedy, as follows: "Sixteen years ago when our first child was a baby he was subject to croupy spells and we would be very uneasy about him. We began using Chamberlain's Cough Remedy in 1887, and finding it such a reliable remedy for colds and croup we have never been without in the house since that time. We have five children and have given it to all of them with good results." For sale by all druggists.
