Severely Hurt

While J E Derringer and C E Flannery
of the city were in front of the
Bohnenkamp building on Adams Ave.
yesterday, engaged in a friendly scuffle
over a bamboo pole, the pole broke
and split, and the sharp fragments
were drawn through the fingers of the
right hand of Derringer, cutting the
flesh from the bone on two of his fin-
gers and causing a very severe wound.
The wound was dressed by Dr Rich-
ardson, and though very painful, no
serious trouble with the wounded
member is expected.

The Eagles

The Eagles of La Grande Aerie No.
259, will spread their wings and soar
tonight, and after soaring just "a wee
bit" for exercise, will alight at the
lodge rooms for the purpose of trans-
acting some important business.
After the routine of the business has
been gone through, refreshments will
be served in the K of P Banquet Hall.
All members are requested to attend,
and a cordial invitation is extended to
all visiting brothers, and to some of
the Buzzards.

Special Excursion to the World's Fair.

The Denver and Rio Grande, in con-
nection with the Missouri Pacific,
will run a series of personally con-
ducted excursions to the World's fair
during June. These excursions will
run through to St. Louis without
change of cars, making short stops at
principal points enroute. The first of
these excursions will leave Portland
June 7, and the second June 17. The
rate from La Grande will be \$60 to St.
Louis and return. Excursionists go-
ing via the Denver & Rio Grande have
the privilege of returning by a differ-
ent route. This is the most pleasant
way, as well as the most delightful
route to cross the continent. The
stops arranged give an opportunity
of visiting in and about Kansas City.
If you wish to accompany one of these
excursions write at once to W C Mc-
Grade, 124 Third street, Portland, for
sleeping car reservations

HARD WALL PLASTER

Only costs about 5c per yard
more than common plaster, and
works many times over.

ADVANTAGES

No danger of freezing as it
can be used in zero weather.
Being flexible instead of brittle—
as all sand mortars are—
it will dent like wood when
struck or jammed, instead of
breaking Doors, windows, pipe
boles, etc are easily cut through it.
It is a non conductor of elec-
tricity and thus prevents short
circuiting. It adheres equally
well to brick, stone or common
lath. It contains no acids nor
chemicals to corrods. It will
not burn nor disintegrate by fire
being a perfect protection for
wood frame work. It will under
no condition pit or blister.

Parties having plastering to
do should consult me regarding
this class of work. Estimates
cheerfully given.

My Lady's Jewels

Certainly add to her attractiveness.
The post who wrote that "Beauty un-
adorned is adorned the most" probably
had no dollars. He certainly showed
little sense. And if his lady love had
seen my display of
Dainty Broches
She would not have believed him.
For a woman naturally loves to adorn
herself. No one can blame her after
they visit my store. Such beautiful
things at so moderate a cost were never
seen before. There are things for men
too. Just come in and see how much
more I could have said about them.
