IS NOT SO SLOW

La Grande is Abreast of the Times—Will Soon Have a New 'Phone System.

La Grande is not so slow after all. Many may think she is a little behind the times but there are many facts which go to show that she is not only abreast of the times but in many ways ahead of other places that make more noise.

The telephone business is a good criterion by which the progressiveness of the citizens of any city or town may be judged. In this respect La Grande stands ahead of all other Eastern Oregon and Eastern Washington towns. The Pacific States Telephone and Telegraph Co. has issued a bulletin showing the number of subscribers in each town per one hundred inhabitants and this bulletin shows that La Grande boasts of 18 phones for every one hundred residents. This is several per cent ahead of any other town in the division.

Another bulletin shows the percentage of delinquent subscribers, and in this respect La Grande also leads the list, having the least number of delinquent subscribers. For the last three months the per cent has been considerably less than one per cent.

The local exchange is constantly growing and in a short time the present out-of-date equipment will be put aside and La Grande will have a telephone equipment superior to any in the state, with the exception of Pendleton, which is now about to have a new system. This proposed equipment is entirely new, not even Portland or Spokane having yet been supplied.

BRIGHT'S DISEASE

Many people who are neglecting symptoms of kidney trouble, hoping "it will wear away," are drifting towards Bright's Disease, which is kidney trouble in one of its worst forms.

FOLEY'S KIDNEY CURE

stops irregularities, strengthens the urinary organs and builds up the worn-out tissues of the kidneys so they will perform their functions properly. Healthy kidneys strain out the impurities from the blood as it passes through them. Diseased kidneys do not, and the poisonous waste matter is carried by the circulation to every part of the body, causing dizziness, backache, stomach trouble, sluggish liver, irregular heart action, etc.

If you have any signs of Kidney or Bladder trouble commence taking FOLEY'S KIDNEY CURE at once, as it will cure a slight disorder in a few days and prevent a fatal malady. It is pleasant to take and benefits the whole system.

How to Find Out.

You can easily determine if your kidneys are out of order by setting aside for 24 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased, and FOLEY'S KIDNEY CURE should be taken at once.

G. B. Burbank Testifies After Four Years.

"About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of FOLEY'S KIDNEY CURE. It entirely stopped the brick-dust sediment and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed, and I am evidently cured to stay, and I heartily recommend FOLEY'S KIDNEY CURE to any one suffering from kidney or bladder trouble."

HARD WALL PLASTER

Only costs about 5c per yard more than common plaster, and worth many times over.

ADVANTAGES

No danger of freezing as it can be used in zero weather. Being flexible instead of brittle—as all sand mortars are—it will dent like wood when struck or jammed, instead of breaking. Doors, windows, pipe holes, etc are easily cut through it. It is a non conductor of electricity and thus prevents short circuiting. It adheres equally well to brick, stone or common lath. It contains no acids nor chemicals to corrode. It will not burn nor disintegrate by fire being a perfect protection for wood frame work. It will under no condition pit or blister.

Parties having plastering to do should consult me regarding this class of work. Estimates cheerfully given. E. REISLAND, Phone 371.

My Lady's Jewels

Certainly add to her attractiveness. The poet who wrote that "Beauty unadorned is adorned the most" probably had no dollars. He certainly showed little sense. And if his lady love had seen my display of

Most people don't know what economy means. Merely pinching the price isn't economy. Real economy thinks last of price and first of QUALITY. Economy is in what you get, not in what you pay. Saving money at the expense of QUALITY isn't economy, it is extravagance. When we buy our goods we look first to QUALITY both in material and workmanship. When we sell our goods we give you good QUALITY at prices that are never higher than such goods are worth. The best QUALITY shoes are cheapest in the end by far.
