Most people don't know white ecoucity fieshs. Morely pinching the price isn't economy. eal sconomy thinks last of price and first of QUALITY. Economy is in what you get, not in what you pay. Saving money at the expense of QUAL-ITY isn't economy, it is extr.vagance. When we buy our goods we look first to QUALITY both in material and workmanship. When we sell our goods we give you good QUALITY at

prices that are never higher than such goods are wouth. The best QUALITY shoes are cheapest in the end by far
