Trade Cut Off

The recent activity of the Russian fleet that has lain so long in apparent idleness at Vladivostok, within the last ten days has resulted in capturing many merchant ships bound for Japan. Practically Japan is in a state of blockade. Ship owners will hardly take the risks of dispatching any more vessels to that island and our trade is for the time being, with Japan is cut off.

Woman into Slavery

London, July 28.—The Daily Mail publishes a dispatch from Tarsus, Asia Minor, saying that on July 13 the well known chief, Sheik Salan, attacked and destroyed the village of Ootch-kilisa. Twenty five persons were killed including a priest and servants attached to a convent.

Women were violated and taken into slavery. The dispatch says that massacres are expected in the sandjak of Bayazid and immediate help is urgently called for.

VIOLENCE IN KANSAS CITY.

Kansas City, July 27.—Tonight members of the allied trades will take a vote on the question of a sympathetic strike. The leaders assert the men only await an order to quit and that a thousand of men will be affected.

The first show of violence in the part of the strikers was displayed today when the Armour company tried to take a car containing 30 negroes to their plant. The mob forced the crew to stop the train and the negroes were roughly handled. Several shots were fired.

The police dispersed the mob but made no arrests.

Two deported Cripple Creek miners mistaken for strike breakers were attacked and received ugly wounds.

Today each of the plants increased its force. The managers claim many old men are applying for their old positions.

Pursuing Outlaw Gang.

Obeyesque July 28.—A monster posse has been organized at Pinedale, Fremont county to proceed against the Big Horn outlaws. Both sides are armed to the teeth. James Malady, who shot up Grand Encampment killing the Shays and wounded others, is at bay at Sierra Madre near the Colorado line. Sheriff Horton heads the posse.

A Timely Operation.

Dr. N. Mollitor returned home last evening from Baker City where he accompanied C. J. Scriber to the hospital. The doctors was seen this afternoon by an Observer Reporter and stated that considering the severeness of the attack, Mr. Scriber was getting along as well as could be hoped for. The operation was performed some time ago, as a delay of a very few hours would have greatly increased the risk. The operation was performed by Doctors Mollitor of this city and McDaniels and Atwood of Baker City. Dr. Mollitor received a telephone message this afternoon to the effect that Mr. Scriber was continuing to rest easy and that the resident physicians were hopeful of his recovery.

With Haines Record.
